AWARD

The facts in brief are that pursuant to the advertisement for co-pilots issued by Air India the 14 pilots (who will be hereafter referred to as the Adhikari Group)

holding ALTP licence with 500 flying hours as pilots in command joined Air India as co-pilots in November, 1996. Their letters of appointment contained a clause that they would be informed about their seniority subsequently.

The Adhikari group filed a writ petition being W.P.(I.) no. 1615 of 1997 seeking enforcement of clause 3 (d) of the 1989 Settlement which read as under:

(d) The pilots joining the Corporation with ALTP will always have higher line seniority over the co-pilots who are already in the employment of the Corporation without ALTP licence.

The writ petition was dismissed on 16-10-1997. The Court held that the 1989 settlement had already been terminated and was non-existing. It was noted that negotiations were in progress between the Air India and the Indian Pilots Guild (hereinafter referred to as the Guild) and that if the Adhikari group felt aggrieved by any settlement which might be arrived at they could raise a dispute before the Conciliation Officer. The High Court also said that in case of failure of conciliation proceedings the dispute could be referred to National Industrial Tribunal. It was observed that there was a pending reference before the Tribunal and that it was always open to the Adhikari group to join in the said reference and raise their demands. It was also held that there was a efficacious alternate remedy.

Aggrieved, the Adhikari group filed a special leave petition in the Supreme Court. While the special leave petition was pending on 3-1-1998 a Settlement was arrived at between the Guild and the Air India. As regards seniority of the pilots the Settlement noted earlier discussions held in 1995 and the following terms were recorded.

7. Seniority of pilots.—(a)-(b)

(c) Based on these discussions, the seniority of trainee pilots/co-pilots has been determined as a one-time exercise as indicated in the seniority list contained in Annexure 'D' and this will not be cited as a precedent in future.

(d) Clause 3(d) of Schedule 2 of the Memorandum of Settlement dated 21-7-1989 stands deleted. Henceforth, line seniority of co-pilots joining the Company will be based on the date of entry of the pilot in the grade of a first officer.

Annexure 'D' referred to in clause 7 (c) was a seniority list which placed the Adhikari group against serial nos. 205 to 218. The Adhikari group, however, withdrew their special leave petition stating that "since the petition before the High Court was pre-mature they wish to withdraw the special leave petition so that they may take appropriate steps later". They then filed a writ petition being no. 2930 of 1999 before the Bombay High Court challenging clause 7(c) of the 1998 Settlement. The writ petition was dismissed on 14-11-2000. The High Court held that "the petitioners

may challenge clause 7 (c) of the Settlement, if so advised, and if they are entitled to do so, by raising an industrial dispute. The question as to whether the Settlement is just, fair and bona fide or that it is vitiated by fraud, misrepresentation or concealment of facts in the first instance, must be examined by the Industrial Tribunal on a reference being made to it by the State Government. Of course, the award of the Tribunal may be challenged in a proceeding under Article 227 of the Constitution on the grounds permissible in law". The High Court refused to set aside clause 7 (c) of the 1998 Settlement in exercise of its jurisdiction under Article 226 of the Constitution saying that "It is not as if the settlement is so blatantly arbitrary unreasonable or irrational that the same should be quashed by this Court without anything more." The Adhikari group challenged the order of the High Court by filing a special leave petition which, however, was withdrawn on 19-3-2001.

The Adhikari group then filed a complaint before the National Industrial Tribunal being reference no. NTB-1 of 1990 under Section 33-A of the Industrial Disputes Act, 1947 (hereinafter referred to as the Act) which they withdrew on 6-10-2003.

The Adhikari group then raised the dispute relating to the fixation of their seniority under the 1998 Settlement under Section 12 of the Act before the Conciliation Officer. The Conciliation Officer recommended to the Air India that considering the historical background of the question relating to seniority and the fact that the Adhikari group had joined on 25-11-1996 prior to coming into operation of the 1998 Settlement they should be granted seniority as claimed by them. Meanwhile, on 8-12-2000 the period of 5 years for CPL pilots to obtain their ALTP was extended by six months. The period of six months was again extended by 7 years on 27-6-2002 and ultimately the requirement for an ALTP for co-pilots was wholly removed by 1-8-2002/2-8-2002, when the decision was taken by the Air India that "in order to give a fair and reasonable chance to all co-pilots" the requirement to obtain an ALTP with 5 years should be removed altogether for all co-pilots and all that was required was that a co-pilot should be in possession of ALTP by the time he/she comes up for command training as per line seniority.

The Adhikari group made a representation to the Air India on the basis of the recommendation of the Conciliation Officer. The General Manager, Human Resource Development, supported the representation by his letter dt. 20-4-2004. The Chairman and Managing Director of the Air India appointed a four member committee to go into the issue. The committee submitted a lengthy report on 4-6-2004 and recommended that the Adhikari Group who joined in November 1996 should be placed only below those ALTP holders who had already attained command or those who were undergoing command training. The Chairman, Air India passed an order on

23-9-2004/28-9-2004 and approved the recommendations of the committee. According to him the seniority of the Adhikari group had been decided 'improperly'.

The CPL holders of 1995 batch filed a writ petition no.3108 of 2004 in the Bombay High Court. By judgement dt.10-3-2005 the High Court allowed the writ petition. Aggrieved, the Adhikari group as well as the Air India filed a special leave petition in the Supreme Court. Honourable the Apex Court set aside the decision of the Bombay High Court and directed that the appropriate government should refer the question for adjudication by the appropriate tribunal.

Accordingly, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Act the Central Government has referred this dispute for adjudication. The terms of reference based on the questions framed by honourable Apex Court in the judgement reported in (2005) 13 SCC 42 are as under:

- (1) Whether the 1998 settlement (memorandum of settlement dated 3-1-1998 between the Indian Pilots Guild and Air India) or any portion thereof is liable to be set aside on the grounds of fraud, undue influence etc. as alleged by the Adhikari Group?
- (2) Whether the requirement of ALTP licence was necessary for co-pilots?
- (3) Whether the Adhikari Group was entitled to seniority over the CPL holders in the line of seniority list?
- (4) What is the legal effect of the Conciliation Officer's recommendation of the Adhikari group's case and Air India's acceptance thereof?
- (5) To what relief are the parties entitled?

According to the statement of claim filed by the Adhikari group until 1986 only ALTP holders were eligible for appointment as co-pilots in Air India but from 1986 CPL holders were also recruited as probationary co-pilots with the condition that their probation would continue till they obtained ALTP and failure to obtain ALTP resulted in termination of their employment. It was also provided that they would be promoted as first officers (co-pilots) only after obtaining ALTP. Their seniority in the cadre of first officer would count from the date of receiving ALTP. The CPL holders then joined the Guild and became majority members. They were helped by their influential guardians who were senior officers in the Air India as well as senior office bearers in the Guild. The CPL holders successfully negotiated the 1998 Settlement whereby the requirement of having ALTP as a pre-condition for line seniority was done away with and seniority henceforth was to be determined with effect from the date of entering the grade of first officer. However, the Settlement was prospective

in nature and hence having joined before the Settlement became operative w.e.f. Jan 1998 the Adhikari group was still entitled to seniority as per Settlement of 1989. To get over this problem as well as to help a large number of CPL holders who had not completed their first solo flight before the 1996 ALTP batch pilots, namely, the Adhikari group joined, the Guild and the Air India attached a seniority list to the wage Settlement of 1998. The seniority list has no rationale logic or basis. It was called one-time Settlement and was not to be cited as a precedent in future. Such a list had never been attached to any previous settlement and its main purpose was to anyhow bestow seniority to the chosen sons, daughters and relatives of the senior officers of the Air India and senior office bearers of the Guild. According to the statement of claim ALTP is the highest cadre of commercial pilots licence and the Adhikari group were holders of ALTP at the time they joined the Air India in 1996. Every committee appointed to look into the matter of pilots recommended that the Adhikari group of pilots holding ALTP should be given seniority over all CPL holders. The Adhikari group has, therefore, prayed that it be given seniority in accordance with the 1989 settlement.

The Air India has filed written statement wherein it has stated that the Chairman and Managing Director passed an order dtd. 23/28-9-2004 inter alia holding that the question of seniority of 14 pilots had been decided improperly and their seniority needed to be restored. A corrigendum to this order was issued on 8-10-2004. It was considered view of all the committees that the seniority of the 14 ALTP holders appointed in 1996 ought to have been in accordance with 1989 Settlement. The seniority list enclosed to the 1998 Settlement is not only inconsistent with the 1989 Settlement, but also with the 1998 Settlement itself as the 1998 Settlement expressly provided that clause 3(d) of 1989 Settlement stood deleted prospectively and henceforth line seniority of co-pilots joining the Air India would be based on the date of entry of the pilots in grade of first officer. Undoubtedly, Air India defended the Settlement of 1998 when it was challenged by the 14 ALTP holders but, upon their representation, Air India reviewed the matter objectively and took decision governing the seniority of the 14 ALTP holders in accordance with 1989 Settlement. In view of the orders passed by the Chairman and Managing Director and the consequential benefits granted to the 14 ALTP holders none of the issues referred to by the Government in the schedule would survive and the reference should be disposed of accordingly.

The Guild has also filed written statement and has denied the allegations levelled in the statement of claim and has supported the cause of Vishal Kapoor and others. According to the Guild all line pilots have accepted the Settlement of 1998 and the Adhikari group has put up an imaginary case. The Guild has prayed that the reference be rejected.

An application was filed on behalf of Vishal Kapoor and 8 others on 28.6.2007 to implead them as parties to these proceedings which was dismissed on 23-3-2011 by this Tribunal for want of prosecution.

It appears that from the Adhikari group, K.N. Khankhoje, S.J.S. Gill, Jasbir Singh and L.N. Pande have withdrawn from this reference while Adhikari, Arun Sehgal, K.S. Chahal and P.K. Ghosh have retired.

The Adhikari group has filed affidavit of Capt. Digvijay Singh who has been cross examined by learned counsel for the Guild and learned counsel for the Air India and the Guild has filed affidavit of Capt. Erjahn Adi Kapadia who has been cross-examined by learned counsel for the Adhikari group and learned counsel for the Air India.

Heard at length Shri M.B. Singh, learned counsel for the Adhikari group, Shri Lancy D'Souza learned representative of the Air India and Shri Palkar learned counsel for the Guild.

ISSUE NO. 1 : The Air India has not led any oral evidence. It has, however, stated in its written statement that the Chairman and Managing Director passed an order dtd. 23/28.9.2004 inter alia holding that the question of seniority of the Adhikari group had been decided improperly and their seniority needed to be restored. It has also admitted that it was considered view of all the committees that the seniority of the 14 ALTP holders (Adhikari group) appointed in 1996 ought to have been in accordance with 1989 Settlement. It has also stated emphatically that the seniority list enclosed to the 1998 Settlement is not only inconsistent with the 1989 Settlement but also inconsistent with the 1998 Settlement itself as the 1998 Settlement expressly provided that clause 3 (d) of 1989 Settlement stood deleted only prospectively.

The Guild has filed affidavit of Captain Erjahn Adi Kapadia who has been cross-examined by learned counsel for the Adhikari group and learned counsel for the Air India. He states in his cross-examination

"This is correct that the person at serial number 167 in that list (seniority list of the first officers attached to the 1998 Settlement) is the son of President at that time of I.P.G and a signatory to that Settlement.... This is true that the persons at serial.no. 124, 127, 131, 134, 135, 171 to 175 and 181 are the children of I.P.G or management personnel"

What has been stated by Kapadia is a clear proof of the fact that many persons who have been benefitted by the seniority list of first officers attached to 1998 Settlement are the children of senior officers of the Air India and senior office bearers in the Guild.

There is no doubt that the seniority list of first officers enclosed to the 1998 Settlement is not only a clear departure from the rule that ALTP holders will always have

higher line seniority over the co-pilots without ALTP as contained in clause 3(d) of the 1989 Settlement and the practice that prevailed up to the coming into operation of the 1998 Settlement but is also inconsistent with the 1998 Settlement itself as the 1998 Settlement expressly provided that clause 3(d) of the 1989 Settlement stood deleted only prospectively.

Looking to the above facts and circumstances the irresistible conclusion is that the seniority list of first officers attached to the 1998 Settlement is a result of fraud and undue influence.

ISSUE NO. 1 is, therefore, decided in favour of the Adhikari group.

ISSUE NO. 2 : Learned counsels for the parties agree that the requirement of ALTP licence was not necessary for appointment as co-pilot. The issue is, therefore, decided as above.

ISSUE NO. 3 : According to clause 3(d) of the 1989 Settlement the co-pilots joining with ALTP would always have higher line seniority over the co-pilots who were already in employment without ALTP. This Settlement was terminated w.e.f. 1-9-1990.

The Bombay High Court in its judgement dtd. 16.10.1997 passed in W.P.(L) no. 1615 of 1997 held that the 1989 Settlement was terminated and was non-existing.

However, in (2005) 13 SCC 42 the Apex Court has held as under:

Although the view expressed in WP (L) No. 1615 of 1997 is erroneous, nevertheless, the question whether the 1989 Settlement can found an enforceable right in respondents 7 to 12 is concluded against them. But the decision would not debar the raising of a dispute that the 1998 Settlement was vitiated by fraud, corruption as the Settlement was entered into after those proceedings were concluded before the High Court. Furthermore, although the decision precludes the Adhikari group from claiming a right under the 1989 Settlement, they can certainly rely upon it as evidencing a continuation of an established practice and requirement. It would also be open to the Adhikari group to rely on all other factors in support of their claim for seniority over the CPL holders.

Exhibit W-3 is a letter dated 10-4-1992 written by Director of Operations, Air India to Joint Secretary, Ministry of Civil Aviation wherein it has been stated that all ALTP holders who joined subsequent to the CPL holders had a higher seniority as compared to the CPL holders and the corporation was not in a position to give the CPL holders the seniority as per the date of joining in the corporation. Ex. W-35 is a letter dated 20-4-2004 from Industrial Relations Division of Air India to Director, HRD, Air India wherein it has been stated that batches of 1992

and 1994 ALTP were placed in seniority as per the 1989 Settlement. It also recommended that seniority of ALTP batch of November 1996 be fixed as per 1989 Settlement also recommended by the seniority committee in their report dtd. 2-4-1996. Ex. W-36 is a report dtd. 4-6-2004 of the committee constituted to study the issue regarding seniority of pilots wherein it has been observed that a group of 4 pilots possessing ALTP joined in October 1992 and they were placed in seniority above those CPL holders who joined since 1988 onwards but did not have ALTP. and similarly a group of 10 pilots possessing ALTP joined in November 1994 and were placed in seniority above those CPL holders who joined since June 1989 onwards but were still not in possession of ALTP. Ex. W-37 is an order dtd. 23/28-9-2004 issued by Chairman and Managing Director of the Air India wherein it has been stated that the question of seniority of 14 pilots (Adhikari group) had been decided improperly and their seniority needed to be restored.

The Air India has stated in the written statement that it was the considered view of all the committees that the seniority of the 14 ALTP holders appointed in 1996 (Adhikari group) ought to have been in accordance with the 1989 Settlement. It has also stated in the written statement that the seniority list enclosed to the 1998 Settlement is not only inconsistent with the 1989 Settlement but is also inconsistent with the 1998 Settlement itself as the 1998 settlement expressly provided that clause 3(d) of 1989 Settlement stood deleted prospectively.

It is thus clear that before the seniority list of first officers came to be attached with the 1998 Settlement the practice was to place the ALTP holders senior to those who held only CPL.

In view of the above discussion I have come to the conclusion that the Adhikari group was entitled to seniority over the CPL holders in the line of seniority list.

Issue no. 3 is, therefore, decided in favour of the Adhikari group.

ISSUE NO. 4 : The Conciliation Officer's recommendation is that the 1998 Settlement came into operation w.e.f. 3-1-1998 and the Adhikari group joined on 25-11-1996, therefore, the benefit under clause 3(d) of the 1989 Settlement be extended to the Adhikari group. In view of the judgement dtd. 16-10-1997 of the Bombay High Court passed in W.P. (L) no. 1615 of 1997 the 1989 Settlement was non-existing w.e.f. 1-9-1990 and, therefore, the Conciliation Officer's report has no legal effect.

The Issue is decided as above.

ISSUE No. 5 : The Adhikari group are entitled to relief as per the decision of the Issue no. 3.

Award is passed accordingly.

AWARD

The Appropriate Government/Government of India, Ministry of Labour, considering the Industrial Dispute exists between the employers in relation to the management of Supdt. Post Office, Bhuj and their workman, by its order No. L-40012/110/1993-IR (DU), New Delhi dated 30-9-1994 in exercise of powers conferred by clause (d) of sub-section (1) and sub-section 2 (A) of Section 10 of the Industrial Dispute Act, 1947, referred the dispute for adjudication to the Industrial Tribunal, Rajkot by formulating the terms of reference under schedule as follows :

SCHEDULE

“ Whether the action of Supdt. of Post Office, Kutch Division, Bhuj in terminating the services of Shri B.D. Chauhan, Extra Dept. Agent as Branch Post Master, Kadol w.e.f. 12-6-1990 is proper, legal and

justified? If not, to what relief the workman is entitled?”

2. On registering of the ITC case, notices to the parties was issued. Subsequent upon notices the parties appeared in the case. 2nd party workman filed statement of claim at Ext. 2 and the 1st party filed its written statement at Ext. 13.

3. The case of the workman (2nd party) as per statement of claim is that he was engaged as E.D. Branch Post Master from 16-1-1988 at Kadol and his wages was Rs. 450 p.m. and in that capacity he was working for the last two and half years. But from 12-6-1990 he was illegally terminated from the service by the 1st party without notice pay or retrenchment compensation. He requested to the 1st party to reinstate him on the job of ED BPM at Kadol but no heed was paid. Further case is that when he was removed from work, juniors were still working in the Post Office and a new person was employed as Branch Post master at Kadol without observing seniority list. The management of the Post Office without following legal procedure under the provision of the ID Act removed him and so as per case laws reported in 1986 (52) F.L.R. 634 Bombay, 1987 (54) F.L.R. 512 Delhi High Court and 1988 (1) L.L.J. 297, he is entitled for his reinstatement at kadol as EDBPM with back wages and interest after declaring the action of the 1st party illegal and unjustified. Also praying for getting Rs.500 as litigation cost.

4. The first party pleaded inter-alia as per w.s. that the reference is not maintainable and the workman has no cause of action. 1st Party has denied the claim of the 2nd party parawise contending therein that the workman was casually/temporarily appointed as extra department agent branch post master at Kadol on 16-1-1988 with specific condition that when eligible candidate having requisite qualification will be available to be posted as Branch Post Master Kadol, his (workman's) service will come to an end. Thereafter eligible candidate was selected having requisite qualification and was posted at Kadol and so the workman Shri B.D. Chauhan was removed from 12-6-1990 as he was casual worker and there were no requirement of paying notice pay or retrenchment compensation under the provision of ID Act, and that the action was rightly taken against the workman under ED Agent (conduct an. Rules 1967). It has been denied that junior was retained to work as EDA after removing the concern workman Shri B.D. Chauhan, there was no question of maintaining seniority list of EDA. Further case of the 1st party is that the workman Shri B.D. Chauhan was only 7th pass where as minimum qualification for appointment as E.D.A.B.P. M. is 8th pass and since no eligible candidate could have been found earlier so the workman had been appointed temporarily on condition that whenever suitable candidate will be selected then he has to left and suitable candidate was appointed as Kadol as BPM and so the workman had to go. Further contention is that the three case laws cited

by the workman in his statement of claim is not applicable in this case. On these scores prayer has been made for rejecting the reference with cost.

5. In view of the rival contention of the parties in their respective pleadings statement of claim and written statement, following issues are taken up for determination in this case.

ISSUES

- (I) Whether the reference is maintainable ?
- (II) Has workman got valid cause of action ?
- (III) Whether by working as E.D.A/B.P.M. at Kadol from 16-1-1988 the 2nd party workman Shri B.D. Chauhan has completed 240 days of works in calendar year preceding his removal/termination from 12-6-1990 ?
- (IV) Whether the 2nd party workman is entitled for the relief as claimed?
- (V) What orders are to be passed ?

FINDINGS

6. Issue No. III. It is admitted fact that the workman Shri B.D. Chauhan was engaged as Extra Department Agent at Kadol Branch Office from 16-1-1988 and worked in that capacity till before his termination on 12-6-1990. He has working on monthly wages of Rs. 400. Admitted fact is that he had read up to 7th class. He worked up to about two and half year. As per evidence of workman Shri B.D. Chauhan at Ext. 10, he was doing work of village office postmaster. He admitted in his evidence during cross-examination that no written order had been given to him to work as Branch Post Master (BPM). He and one more namely Ugemsingh were working as E.D. (Extra Department Agent) at Kadol. However he showed ignorance that post of B.P.M. is of ED Category. He also showed ignorance that minimum qualification for BPM is class VIII pass. But he admitted during cross-examination that for posting as BPM at particular village, it was essential that the candidate must have his own house in that village. He also admitted that he does not know whether he had applied for post of BPM taking ground that he had his own house at village Kadol. On the other hand the witness of the 1st party namely Shri Baljibhai B. Mohpase deposed in his evidence at Ext. 25 that Shri B.D. Chauhan was appointed E.D.A. at Kadol purely on temporary basis up to the period a suitable and eligible candidate of Kadol village is appointed as B.P.M. It is admitted fact that after removal of the workman Shri B.D. Chauhan on Kamlaben of Kadol village was appointed as BPM. According to the 2nd party workman there was no any minimum qualification prescribed for E.D.A/BPM, whereas according to 1st party minimum qualification was 8th class pass and the workman Shri B.D. Chauhan was not possessing such qualification.

But 1st party witness at Ext. 25 stated that he has no idea that for posting as B.P.M. a person shall have qualification of 8th class pass. Further management witness during cross-examination has admitted that the work performed by Shri B.D. Chauhan at Kadol and the work performed by new appointed person are of similar nature.

7. It has come in evidence of workman at Ext. 10 that he is a disabled person and after removal he is unemployed and is maintained by his brother. His such evidence is unchallenged. There is no evidence on behalf of management (1st party) that the workman after removal is in gainful employment.

8. The management witness at Ext. 25 has admitted that no notice pay or retrenchment compensation was provided to the 2nd party workman. More so, there is no contrary evidence of the 1st party to discard the claim and evidence of workman at Ext. 10 that he completed more than 240 days of works in every calendar year during the period of 2 1/2 years of his employment at E.D.B.P.M at Kadol. It is admitted fact that before termination on 12-6-1990 the workman Shri B.D. Chauhan continuously worked from 16-1-1988 till before 12-6-1990. That means he completed 240 days of works preceding his termination w.e.f. 12-6-1990.

9. It is also admitted fact that Shri B.D. Chauhan was a workman under the management of Supdt. of Post Office, Kutch (Bhuj) and he was working as E.D.B.P.M. at Kadol and there was employees employer relationship.

10. As per discussions made above I find and hold that the 2nd party workman Shri B.D. Chauhan completed more than 240 days of works in calendar year preceding termination on 12-6-1990. This issue is decided in favour of the 2nd party workman.

11. ISSUE No. I & II

In view of the findings given to issue No. (III) in the forgoing paragraphs I further find and hold that this reference is maintainable and the 2nd party workman has valid cause of action. These two issues are answered accordingly in affirmative.

12. ISSUE No. IV & V

After findings given to issue No. III that the workman completed 240 days of work in the calendar year preceding his termination. So there was requirement by the 1st party either to give one month notice pay or retrenchment compensation under the provision of section 25F of the ID Act, 1947. But 1st party admittedly did not comply with and thus violated the provision of law. But due to this fact the 2nd party workman is not entitled for reinstatement as a matter of right because he was a casual/temporary workman and not appointed in regular way observing all rules and regulation of appointment of regular employees. There is catena of decision of the Hon'ble Apex Court that

instead of reinstatement a lumpsum compensation should be awarded according to the circumstances of the case. In the case of senior Supdt. Telephone (Traffic) Bhopal V/s. Santosh Kumar Seal, the Division bench of the Hon'ble Supreme Court, reported in 2010 (0) GLHEL SC 48285 has held to give compensation instead of reinstatement that will meet the ends of justice.

13. In such view of the matter, I find and hold that the 2nd party workman is not entitled for reinstatement or for back wages, as claimed. But he is found entitled for compensation due to violation of the provision of Section 25F of ID Act by the 1st party. It has come in evidence that the 2nd party workman is a disabled men and remained unemployed after his termination on 12-6-1990. So, in the circumstances, he is entitled for a lumpsum compensation of Rs. 30,000 from the 1st party. These issues are decided accordingly.

This reference is accordingly allowed in part, with cost of Rs. 500. The 1st party is directed to pay compensation of Rs. 30,000 to the 2nd party workman Shri B.D. Chauhan within thirty days of publication of award. Failing which the amount of compensation will carry interest @ 9% per annum.

This my award.

AWARD

The dispute was referred for adjudication to Industrial Tribunal, Baroda by order No. I-13011/6/2001-IR(DU)) New Delhi dated 18-7-2002 by the appropriate Government/Government of India. Ministry of Labour formulating the terms of reference under the schedule as follows:-

SCHEDULE

“Whether the action of the Employer i.e. EME Golf Club in terminating the services of S/Shri (1) Ramanbhai Narsinghbhai Makwana (2) Satish Fatesingh Rajput (3) Pravinbhai Trikambhai Vankar (4) Gopal Rajput (5) Pravinbhai A. Parmar (6) Manharbhai J. Parmar & (7) Kanubhai Sahanabhai Rajput is legal, proper and justified? If not, to what relief the concerned workmen are entitled to and what other directions are necessary in the matter?”

2. Each of the 7 workmen involved in this case filed separate statement of claims at Ext. 7 to 13. The grounds

taken by each of the workmen are verbatim reproduction of the facts in para 1 to 7. So, there is no need for dealing separately each of the statement of claims. Commonly the case of the workmen is that they were working in the Golf Club of EME School for the last 10 to 12 years as a full time worker without having any break in their works and that they were working as a regular workman. They were working as Mali (Gardener) in the Golf Club and they were getting wages per month of Rs. 1300 and, PF was also been deducted and that they were working for 8 hours daily. They were working sincerely and honestly. In spite of that suddenly the first party removed them from work w.c.f. 23-6-2001 without sending any reason and without giving prior notice for retrenchment or without paying retrenchment compensation. Further case is that the works performed by the workman's were of perennial in nature. But the action of the first party in terminating their services is against the principles of natural justice and is also illegal and unwarranted and is also by way of unfair labour practice and colourable exercise of power by the first party. Due to removal the workmen's have suffered mentally as well as physically disturbance. Further case is that the workmen had demanded for payment of their wages in accordance with the provisions of minimum wages act and also demanded for the payment of difference of wages and due to that reason the first party terminated them from 23-6-2011. Prayer has been made for provide the reliefs for declaring the termination order dated 23-6-2001 illegal and unwarranted and against the principles of natural justice and for payment of wages according to the provisions of minimum wages Act from 1-4-2000 to 31-1-2001 with interest together with 10 times compensation that comes Rs. 1,34,046.40 to each of the workmen and also the relief for their reinstatement to the post on which they were working prior to termination, they have also claimed for cost of Rs. 500 each.

3. Against these seven statement of claims at Ext. 7 to 13, the first party has also filed separate written statement at Ext. 32, 33, 34, 35, 36 taking the common defence in each of the written statement separately filed against the separate statement of claim pleading inter-alia that the reference is not tenable in the eye of the law and the statement of claims are not supported by the provisions of law and documentary evidence. The reference is not maintainable. The first party has denied all the allegations made parwise in the statement of claims. Further contention is that the terms of reference referred for adjudication clearly indicate that reference is between EME Golf Club and Employees. But the statement of claim have been filed against Station Commandant EME School Baroda, has not been referred as one of the party in the present reference. Further contention is that the EME is different organization working under the Ministry of Finance, Central Government and it has its well define charter of duties appointment and enrollment of its employees which is govern by the rules of Central

Government. No official of the EME School has any authority to appoint and enroll any employee even temporary without explicit written instruction. The appointment when required is made as per instruction of the Central Government Rule. Further contention is that the EME Golf Club is not industry as define under the Industrial Dispute Act. The Golf Club has its governing body having its own rules and regulation framed. The Golf Club is a sport body run purely by the members of the Golf Club and club is govern by its own set of rules and provides facilities for playing Golf to its members who are pre-dominantly serving and retired soldier also includes outsiders who are not within the service of EME. The club function on no profit no loss basis and the nominated governing body of the Golf Club does this honorary job without any remuneration. There is no direct relationship between Golf Club and EME School or Station Commandant EME School, Golf Club is not instrumentality of state as per article 12 of the constitution and the club is an independent unit. The workmen's through the union had raised the dispute before the Central Commissioner of Labour for non payment of minimum wages to the employees and RLC (C) vide order dated 7-9-2001 dismissed the application filed by the employees holding that minimum wages Act is not applicable to this establishment and that EME Golf club is not under the authority of Central Government and hence Central Government is not an Appropriate Government and the authority appointed by the Central Government has no jurisdiction to decide the claim. Apart from these grounds contention of the first party is that workmen's of the Golf Club were working on probation and were being paid monthly salaries so agreed as such those employees were not needed by the Golf Club at the time the service was terminated by the Secretary of Golf Club and it is settled law that unless probation is given confirmation order the employee remain on probation and long period of probation does not give right to the employee of permanence. It has been denied that the workmen's were working in the Golf Club of EME School because Golf Club is an independent establishment having no nexus with EME School. On these grounds prayer has been made to reject the reference.

4. It may not be out of place to mention that the 7 workmen's involve in this case also filed joint statement of claim at Ext. 18 on 27-01-2005 incorporating the Station Commandant EME School, Fatehgunj, Baroda as opposite party the facts stated in the joint statement of claim at Ext. 18 are similar to that of separate statement of claim at Ext. 7 to 13. In the joint statement of claim some fact has been stated that the workmen's were working in the Golf Club as Mali (Gardener) for the last 10-12 years and were working for 8 hours and were making their attendance sheet register and out of their wages, PF was being deducted on monthly basis. Further ground has been taken that besides gardeners works in Golf Club they were also deployed for work in the EME School as a daily rated labourers and that

they have demanded for payment of wages according to minimum wages Act from the Commandant EME School and has also made complaint before ALC (Central) and that there had been settlement with the management for making payment according to minimum wages and that these workmen raised their demand through the union Gujarat Majdoor Kamdar Urja before ALC (Central), Ahmedabad and the workmen have claimed for the difference of wages with interest and 10 times compensation from 1-4-2000 to 31-1-2001 and the matter was pending before RLC (C) in the mean time the workmen's were terminated from their service from 23-6-2001 and they were not allowed to enter into EME School Golf Club from 24-6-2001. Dispute was raised before the Regional Labour Commissioner and thereafter the dispute on failure of conciliation was sent and the appropriate government referred the dispute for adjudication. In the joint statement of claim the reliefs has been sought for declaring the termination order dated 23-6-2001 unwarranted and illegal and against the principles of natural justice and have demanded for payment of Rs. 748843.67 to each of the workmen's with 10 times compensation. Further for payment of Rs. 748843 with 10 times compensation to the tune of Rs. 7,48,843 and also for their reinstatement to work as Gardener in the Golf Club.

5. The first party also filed written statement at Ext. 25 dated 20-8-2008 taking all those objection which were incorporated in the separate written statement from Ext. 32 to 36 already discussed in the forgoing para, pleading inter-alia that the reference is not at all maintainable, the workman have no cause of action and they are not entitled to get any relief and the reference is fit to be rejected.

6. As per rival contention of the parties in their pleadings the following issues are taken up for discussions and considerations:

ISSUES

- (I) Whether the reference is maintainable?
- (II) Have the workmen's/union valid cause of action?
- (III) Whether the Golf Club of EME School is an industry under the section 2 (J) of the Industrial Dispute Act, 1947?
- (IV) Whether the workmen's are entitled for the claim of difference of wages with 10 times compensation from the first party?
- (V) Whether the second party workmen are entitled for the relief of reinstatement as Mali (Gardener) in the Golf Club?
- (VI) What orders are to be passed?

FINDINGS

7. ISSUE No. III

Section 2 (j) of I.D. Act, 1947 defines "industry" which means any systematic activity carried on by

co-operation between an employer and his workman (whether such workman are employed by such employer directly or by or through any agency including a contractor for the production, supply, or distribution of goods or service with a view to satisfy human wants or wishes (not being wants or wishes which are merely spiritual or religious in nature whether or not-

- (i) any capital has been invested for the purpose of carrying on such activity: or
- (ii) such activity is carried on with a motive to make any gain or profit, and (a) (b)-

but does not include- (1) any agricultural operation except where such agricultural operation is carried on in an integrated manner with any other activity (2) Hospital or dispensaries: (3) educational, scientific research or training institutions: or (4) Institution owned and managed by organization wholly or substantially engaged in any charitable, social or philanthropic, service: or (5) Khadi or village industries (6) any activity for government relatable to the sovereign functions of the government including all the activities carried on by the department of Central Government dealing with defence research, atomic energy and space: or (7) any domestic service: or (8) any activity being a profession practised by an individual or body of individuals in relation to such profession is less then ten: or (9) any activity, being an activity carried on by a co-operative society or a club or any other like body of individuals, if the member of persons employed for the co-society, club or other like body of individuals in relation to such activity is less then ten. As per terms of reference the dispute has been raised by only 7 workmen claiming to have been employed on daily rated wages as Mali (Gardener) in the EME Golf Club. In this regard specific case of the first party EME Golf Club is that the Golf Club is a sport body run purely by the members of the club and provides facilities for playing golf to its member who are pre-dominantly serving and retired soldiers and that the club function on no profit no loss basis and that there is no direct relationship between golf club and EME school or Station Commandant EME school. More so, as per exception. 9 discussed above in the category.

Does not include as industries. if number of persons employed is less then ten do not come under the category of "industry". From the appointment letter of one of the workman namely Pravinbhai it appear that this appointment letter had been issued by Honorary Chairman of EME Golf Club appointing him for six months probation as Mali in EME Golf Club w.e.f. 1-1-1990 mentioning his duties will be to maintain Golf Club green and fairness. He will be given a weekly holiday on Sunday or a convenient day decided by club secretary. Further condition was that he will be on probation for 6 months w.e.f. 1-1-1990 and the next condition was i.e. salary will be Rs. 800 per month. Even if such appointment letters issued to seven workmen's involved in this case are taken into

consideration it can be said that the workmen had agreed for their monthly wages of Rs. 800/- per month for the works of maintaining Golf Club greens and fairness. It is admitted position that the number of workmen employed as gardener were 7 only i.e. less than 10. So, when the workmen employed in the Golf Club run by the Honorary Secretary for the recreation of the serving or retired soldiers/military personal then EME Golf Club cannot be said to be an "industry" as defined under Section 2 (j) of the Act, 1947 when the workmen's had not been employed in any industry. So, the dispute raised by the workmen either individually or through the union cannot come under the category of Industrial Dispute.

(8) More so, there is no cogent evidence on behalf of the workmen to prove that the EME Golf club is an "industry" and is being carried on with a motive to make any gain or profit. Out of 7 workmen's involved in this case, two of them namely Ramanbhai N. Makwana at Ext. 23 and Pravinbhai N. Parmar at Ext. 24 have deposed to support in oral evidence, they were thoroughly cross-examined by 1st party representative. The workmen's in their evidence could not bring any cogent evidence to show that the Golf Club run for the recreation of serving and retired soldiers is coming in the category of "industry". On the other hand the witness Subedar Rampratap Assistant Secretary to EME Golf Club in his oral evidence at Ext. 44 clearly states that the dispute raised is between EME Golf club and employees who were appointed by the Golf Club. Statement of claim filed by the workmen is against the commandant EME School, Baroda which is not tenable because EME School is not party to the present reference. His further evidence is that EME school is a organization under the Ministry of Defence, Central Government it has its well charter of duties. Appointment and enrolment of employees are governed by the rules of Central Government. The appointment are required to be made as per the instruction of Central Government. Second party workmen are not appointed by EME School. His further evidence is that EME Golf Club is institution formed by officers of EME for their welfare and recreation. All officers contribute and from that contribution the Golf Club is maintained and employees are not paid by the union of India rather the employees are appointed by Golf Club they are not appointed by EME School. Golf club is sport body having purely run by the members of Golf Club and governed by its own set of rules and provide facilities for playing golf to its members and that the club function on no profit no loss basis sustained by a nominal fees and thus EME Golf Club is not an "industry" and there is no direct relationship between Golf Club and EME School or Station Commandant. His further evidence is that the club is a regimental institute in order for the welfare of soldiers having no character of "industry" or any systematic activities.

(9) Upon consideration of the materials and evidence on the record discussed above this tribunal is of

considered opinion that EME golf club is not an industry as defined under Section 2 (j) of the ID Act, 1947. This issue is accordingly decided against the workman second party and in favour of the first party.

(10) ISSUE No. IV

There is no scope for examining the claim of the workman for their entitlement for the condition of wages under Section 20 of the minimum wages Act 1948 and also regarding 10 times compensation such provisions has been enumerated under Section 20 of the minimum wages Act, 1948. The authority under the minimum wages Act, 1948 is either ALC (C) or the RLC (Central) for giving appropriate orders/directions regarding payment of difference of the minimum wages together with multiplied by maximum up to 10 times compensation. On behalf of the first party several documents with list at Ext. 37 has been filed. Ext. 37/2 is the order dated 9-8-2000 passed by Assistant Labour Commissioner (C), Baroda on the grievance of non payment of minimum rate of wages to the unskilled who are engaged in the agricultural/Horticultural work in Golf club EME School, Baroda. It may be pertinent that the dispute was raised before the ALC (C) where the employees (present workman) are part time or full time workers and so it is advised to file claim application before the authority under the minimum wages Act, 1948 i.e. The Regional Labour Commissioner (Central), Ahmedabad as per provisions of Section 20 of minimum wages Act read with Rules 27, 28, 29 minimum wages (Central Rules 1950) and the application submitted on behalf of the workman through the union was disposed of. It is also not disputed that the workmen's through union had approached before the authority i.e. the Regional Labour Commissioner, Central Ahmedabad for redressal of their grievance of payment of difference of minimum wages with 10 times compensation which was rejected. Thereafter the present dispute was raised making grievance for their illegal termination and seeking for the reliefs. Considering all these aspects I am also of considered opinion that the entitlement regarding difference of wages with 10 time compensation claim of Rs. 74,843.67 of the 7 workmen involve in this, case together with 10 times compensation making total claim of Rs. 8,23,280.37 is not at all entertainable under this reference case because the reference case are to be decided under the provisions of Industrial Dispute Act, 1947 and there is none of business of the Industrial Court to decided the claim of the workmen's under Section 20 of the minimum wages Act, 1948. This issue is therefore also decided against the second party workman.

(11) ISSUE No. V

Even if it is accepted that the 7 workmen involve in this case have continued their works as Mali (Gardener) for maintaining Golf course greens and fairness since after their appointment in the year 1990 from 1-1-1990 till before their termination in the year 2001 and such long period of service and during that period also even completing more

than 240 days of work in a calendar year do not make them entitled for their reinstatement to their works of gardener in the EME Golf Club run on the basis of no profit no loss basis because not coming in the category of "industry". So, when the EME Golf club is not coming under the category of industry and so there would be no any Industrial Dispute of the workmen's with the employer of the Golf Club and so even if those workmen's would have completed more than 240 days of work in calendar year and if they are not entitled for reinstatement then alternatively they are also not entitled for getting any compensation instead of reinstatement because of the findings given to issue No. II in the forgoing para this issue is also decided against the second party workman.

(12) ISSUE Nos. I & II

In view of the findings given to issue no. III, IV and V in the foregoing paragraphs, I further find and hold that the reference is not maintainable because as per terms of reference action of the employer i.e. EME Golf club in terminating the service of the 7 workmen was challenged by the workmen and the dispute was referred for adjudication for such action of the employer i.e. EME Golf Club is legal, proper and justified or not but the reference order was sent to the Station Commandant, Institute EME School, Fatehgunj instead of Chairman or Secretary of the Golf Club run by the Honorary chairman and Honorary Secretary of EME Golf Club as per appointment letter issue by Honorary Chairman and deduction of contributory funds by the Honorary Secretary of the Golf Club and order as to termination of employees issued by Honorary Secretary EME School Golf Club dated 22-1-2001 against Pravinbhai as per Ext. 37/3, 37/4 and 37/5. So this reference is not maintainable. The workman or their union has also got no valid cause of action to raise the dispute since the EME Golf Club is not an "industry" rather it is being run on no profit no loss basis and the payment of wages of the workman were being paid through the contribution made by the member of the Golf Club being service or retired soldiers/military personals. These two issues are answered accordingly in negative.

(13) ISSUE No. VI

It appears from Ext. 27/5 that Honorary Secretary EME School Golf Club by issuing termination order of Shri Pravinbhai Trikambhai Vankar terminated from his service as Mali (Gardener) w.e.f 23-6-2001 and an amount of Rs. 11999 as per details given below.

- a. One month advanced pay as a special case.—Rs. 1304.00.
- b. Pay for the month of June (for 22 days)—Rs. 902.00.
- c. ECF along with interest.—Rs. 9793.00 total Rs. 11993 was provided to workman Pravinbhai Trikambhai Vankar who refused to accept the termination letter and the notice

pay etc. as indicated in Ext. 37/5. So it may be safely presumed that the first party Hon'ble Secretary of EME Golf Club must have issued such termination orders with one month advance pay as a special case, pay for the last month of employer and ECF along with interest in favour of the workmen involve in this case, but the workmen refused to accept the termination letter and the notice pay etc. So, at best the workmen involve in this case can only claim for one month advanced pay as special case and for the month of their lost works prior to date of termination with ECF along with interest up to date of their termination only from the first party. Since the first party EME Golf Club is not an "industry" and the reference is not maintainable. So, no any direction can be given to the first party for payment of the one month advanced pay with pay for the last month with ECF along with interest up to the date of termination in this reference case. However workmen's themselves may approach to the Honorary Chairman and Secretary of the EME school Golf club for making payment of one month advanced pay with pay for the last month of their work with ECF along with interest up to the dates of their termination. With this observation made in issue No. VI, this reference is rejected on contest made by the first party. No order as to any cost.

This is my award.

AWARD

The Central Government, Ministry of Labour & Employment vide its Order No. L-41011/19/2009-IR (B-I) dated 08.03.2011 referred the following Industrial Dispute to this Tribunal for adjudication.

The schedule mentioned in that order is:

“Whether the action of the management of Southern Railways in not calculating the out station rest hours for weekly average hours is legal and justified?”

“Whether the action of the management of Southern Railways in implementing the crew link on 8-12-2007 despite notice issued on 06-12-2007 fixing conciliation proceeding on 14-12-2007 amounts to violation of Section-33 of Industrial Dispute Act, 1947? To what relief the Association is entitled?”

2. After the receipt of Industrial Dispute, this Tribunal has numbered it as ID 19/2011 and issued notices to both sides. First Party entered appearance through Authorized Representative and Second Party through Advocate and filed their Claim and Counter Statement as the case may be.

3. The averments in the Claim Statement briefly read as follows :

The Loco Running Staff of Indian Railway constitute workers comprising of the Loco Pilots of Mail and Express Train, Asstt. Loco Pilots, Passenger Pilots, Goods Pilots and Shunting Pilots and stand classified as "Continuous" class as per regulation of hours of work and periodical rest rules for Railway Servants incorporated in Chapter-XIV of Indian Railways Act, 1989. The running staff are booked and utilized as per Link Rosters prepared and effected by the COM/MAS with reference to each divisional set-up and crew depots within division and the workers of goods trains are booked out for their operation of goods trains from one place to the other/destinations. In day to day work, while the workers are working trains they are made to break their duties and wait at stations away from their home stations to pick up their trips to home stations. The workers are expected to come prepared for their duty to be away for 3 or 4 days from their home stations which means they have to be or remain for such period of time under the control and disposal of the Railway management and it is specified under Railway Board's orders on the matter under their number. During the period of waiting at outstations the workers are not permitted or free to leave their place of their relaxation maintained by the Management under record without the permission or relief. Section-134 of the Indian Railways Act, 1989 prohibits any employee from leaving the place of work simply on the plea that he had completed his prescribed hours of work, until he is properly relieved to go. However, the Management is not accounting the period spent at outstation under their control as duty just to exploit the time of workers and avoid paying their overtime allowance, beyond 104 and 108 hours of bi-weekly averaging. In the official rosters only the journey time with P&C is accounted as duty/working hours and the time spent for disposal or orders at outstations are shown as OSR and not accounted as duty and hence it is the urge of the Union to treat and account the period at outstation as duty as such time are not at the disposal and they are not to the place which can be evidently seen from the cases of disciplinary action and penalties imposed for leaving or not available when orders were served for return/pairing trips. The definitions in the HOER, the handbook of compilation of the provisions in the Act, 1989 and rules made under define working hours to say over the period the workers are kept under control of the management of the employer is duty until he is relieved free and liberty to leave his place of work. It also states that such period includes periods of lunch or tea breaks and periods of inaction without any physical exercise even though the

worker is on duty. Hon'ble Justice M.M. Miabhoy observed in the Railway Labour Tribunal Award 1969 "the hours of work commences from the time the workers (places himself) report at the place of work and it extends to the time he is at liberty to go free from his place of work, it includes tea or lunch break and periods of relaxation". As such the urge of the Union for accounting the period of stay of the workers at outstation in action waiting for orders or disposal of the Management on their returning back to home either by working at train or travelling as passenger on duty is quite justified and lawful in characters. On the other part of the schedule referred before the Tribunal he is on the glaring violation and neglect of the provisions and the orders of the RLC under ID Act and such attitude of the Railway Management stands a testimony for their disrespect towards laws and orders of the legal authorities under the law and such conditions need to be addressed with to meet with penal provisions to curb, curtail and discipline them to abide by labour laws. The Union is submitting some of the records as record of evidence, justifications in support of their claim for the being consideration of the Tribunal. The claim may be viewed with due sympathy and pass two orders to protect the interest of the workers to render justice and rule of law.

4. Counter Statement averments briefly read as follows :

Petition is not maintainable on law or on facts. The name of category i.e., Running Staff itself clearly expresses the nature of the duty which necessitates to work back train from a destination e.g. a crew working a train from Madurai to Tirunelveli has necessarily to work another train from Tirunelveli to Madurai for which a stay at outstation between the arrival at Tirunelveli and departure to Madurai is a must. To facilitate the crew to avail proper rest at outstations, necessary infrastructures like running room with all facilities like bed, serving of food and call boys to assist, etc. are provided. Madurai division employees are being utilized for a period of 80 hours (calculated on an average basis for Madurai Division) only against the maximum permissible working hours of 104 for continuous classification under the HOER for a fortnight period. In calculating the outstation rest hours as duty for the calculation of weekly average hours it is to be stated that Chapter-XIV Regulation of Hours of Work and Period of Rest of the Railways Act, 1989 enacted by Parliament, Section-136 of the Act has conferred to the Central Government to make rules and accordingly Railway Servants (Hours of Work and Period of Rest) Rules, 2005 have been made to amend the Railway Servants (Hours of Employment) Rules, 1961. Rule-12 of RS (H&P) Rules, 2005 deals with periodical rest and Sub-Rule (3) is "Locomotive of traffic running staff shall be granted, each month a rest of at least of five periods of not less than twenty-two consecutive hours each or a rest of at least four persons of not less than thirty

consecutive hours each including a full night. The hours of work for this purpose shall be calculated from "signing on" to signing off". Thus the hours of work for the running staff can be taken from the time they sign on and upto the time they sign off e.g. if a running staff commences his duty by signing on at Madurai and reaches Tirunelveli and sign off after completion of his work the duty hours will come to an end. Again if he signs on for performing duty in a train from Tirunelveli the duty hours will commence from that time and will continue till such time he completes his work and sign off at another place. It is clear that time spent on outstation after sign off will not be taken for purposes of duty in terms of the above rules. Further crew link followed now, the running staff of Madurai Division are provided with a five 22 hours and three 30 for a month which is much more than the rest provided in the rules which is five 22 hours four 30 hours only. The running staff of Madurai Division are getting an additional rest of three 30 hours over and above what was provided in the rules. This rest is given to them at their Headquarters only and does not include the rest given to them at outstations. The claim is against the rules and they are not entitled to it. On the advice of the Chief Personnel Officer by letter dated 30.11.2007 communicating the approval of the crew link by the Chief Operations Manager and as per the instructions of the General Manager, Divisional Railway Managers have been advised to implement the crew link from 05.12.2007 and the same was implemented and accordingly introduced at Madurai Division for Mail/Express Trains from 05-12-2007. On the First Party moving before Assistant Commissioner of Labour (Central), Madurai and receiving notice from there by 10-12-2007 only the status-quo order of Assistant Commissioner of Labour (Central), Madurai is only from 06-12-2007 in terms of Section-33 of the ID Act. Hence there is no violation on the part of 2nd Party. The date mentioned as 08-12-2007 as date of implementation of the crew link is not correct. ID is to be dismissed as being devoid of merits.

5. Points for consideration are:

- (i) Whether not calculating the outstation rest hours for weekly average hours is legal and justified?
- (ii) Whether the action in implementing the crew link on 08.01.2007 despite notice dated 06-12-2007 fixing conciliation proceedings on 14-12-2007 amounts to violation of Section-33 of the ID Act?
- (iii) To what relief the concerned workmen are entitled?

6. Evidence consists of the oral evidence of WW1 and Ex.W1 to Ex.W7 on the petitioner's side with no evidence adduced on the Respondent's side.

Points (i) (ii) and (iii)

7. Heard both sides. Perused the records, documents and written arguments on either side. Both sides argued in terms of their respective contentions in their pleadings. The thrust of the arguments on behalf of the petitioner is that on account of the breaking of duty of the running staff at outstation/destination away from their home stations and having to wait at outstation in order to pick up their return trips to home station the Railway is not accounting the period spent at outstation as duty. The period of their detention is purely a requirement of their roster and for administrative purpose. At the outstations at nominated places of waiting they are required to wait but are prohibited in using the time duration of such waiting as they desire. Hence their detention at outstation must be treated as duty and counted for the calculation in averaging their weekly hours in fortnight. The provision under Rule-11 of the Running Allowance Rules, 1981 allowing credit of 70 kms. for every 24 hours or part thereof after the expiry of 16 hours from the time of signing off when running staff are detained at outstations is to be construed as enabling to count the periods of detention at outstation for being counted as duty necessitating payment of outstation detention allowance. The act or the rules do not prohibit accounting any part of duty in any trip either on rosters or assignment of work trip. Hence not accounting the rest or waiting period in the outstation is illegal and exploitation of workers. Effecting of change in the crew link w.e.f. 08-12-2007 is in violation of Section-33 of the ID Act despite status-quo order of the Assistant Commissioner of Labour (Central) on 06-12-2007. It is Contempt of Court. Even unrecognized unions can raise ID and therefore petitioner association has locus-standi to file this petition. Under Rule-12(4) the running staff shall not normally be away from Headquarters for more than 3-4 days at a stretch and the periodic rest shall be given at Headquarters which shall always include a night in bed and as far as possible to be once in every 10 days.

8. Contra arguments are that the running duty necessitates to work back train from a destination. To facilitate the crew with proper rest to running crew with bed, serving of food and call boys, etc. are provided. Under Rule-12 of RS (H&P) Rules, 2005, the hours of work for the purpose of calculating rest of locomotive staff shall be calculated from signing on the signing off i.e. between the time of "sign on" or "sign off" the hours of work of the running staff has to be reckoned. It is clear that time spent at outstation after "sign off" will not be taken for purposes of duty. As per the crew link followed now running staff of Madurai Division are getting an additional rest of three 30 hours over and above what was provided in the rules, given at their Headquarters and not including the rest at outstations. The crew link was introduced at Madurai Division from 05-12-2007 as per the orders of the Railway authorities. Under Ex. W6 it could be seen that the status-quo of the Assistant Commissioner of Labour (Central) is

effective from 06-12-2007 in terms of Section-33 of the ID Act. Hence there is no violation on the party of the 2nd Party. Notice of the Assistant Commissioner of Labour (Central) dated 06-12-2007 was received only on 10-12-2007. The allegation is not specific, is general in nature and vague. The same is also not substantiated by clear evidence.

9. On an analysis of the pros and cons of the contentions on either side it is brought home that there is no force in the contentions or claim of the Petitioner Association for calculating period of detention at outstations as hours of weekly average duty. In fact the running staff are extended rest hours at Headquarter Stations and they cannot leave Headquarter Station more than 3-4 days at a stretch. What the rules, in the circumstances provide for has been pointed out on behalf of the Respondent as mentioned above. The claim of the Petitioner Association is therefore not in consonance with rules. Though it may confer them with benefits of some convenience while they are at outstations and are having to wait for some time to work back their train, the said situation is not warranted to be suitably adjusted by the rules framed by the Government of India under Section-136 of the Railways Act to carry out the purpose of Chapter-XIV under which the Railway Servants (Hours of Work) and period of rest) Rules, 2005 have been framed to amend the Railway Servants (Hours of Employment), Rule-1961. The claim for treating the outstations Rest hours as duty is against the rules and cannot be sustained. That the negation of the claim by the Railway in not doing so is therefore not illegal. Dispensation of justice has always to be according to law only. Proved instances of some of the members of the running staff having incurred some hardships or risks in their personal relations in regard to men and matters, while may be persuading factors to moot for a change of the rules by the Government of India to make or amend rules under S.136 of the Indian Railways Act, 1989. Yet until that is done, the rule or the force of the rule, now in vogue, is only to be continued to be observed or followed. The imperative of Rule-11 of the Running Allowance Rules, 1981, by or on parity, cannot be made applicable to the present context in view of the express provision under Rule-12 of RS (H&P) Rules, 2005 specifically providing for the manner of treatment of hours of work for the calculation of rest of locomotive staff. There cannot be any overriding impact of Rule-11 of Running Allowance Rules, 1981 on Rule-12 of RS (H&P) Rules, 2005. As to whether implementing the crew links amount violation of Section-33 of the ID Act as is seen from Ex. W7-Press Release of the Railway the date of implementation is 8-12-2007 and not 5-12-2007 as is the case of the Management. Again without that being deposed to or proved by document on the part of the Management there cannot be said any evidence is adduced to prove that. Pleading is not proof. Management has not come to the box to testify to that. So much so it is only to be held that the date of implementation is

8-12-2007, which is after 6-12-2007, the date of status-quo order of Assistant Commissioner of Labour (Central). Hence it is to be maintained that there is a slight violation of Section-33 of the ID Act.

10. The petitioner is entitled to relief to the above extent only. The reference is answered accordingly.

AWARD

(Dated: 14th May, 2012)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of Subsidiary Intelligence Bureau and their workman, Shri Dharendra Pratap S. Bhagat, for adjudication, as per letter No. L-42012/256/2001-IR (CM-II) dated 17-07-2002, with the following schedule:

"Whether the action of the Joint Director, Subsidiary Intelligence Bureau, Nagpur in terminating the employment of Shri Dharendra Pratap Singh Bhagat, Gardener w.e.f. 14-7-2001 by oral orders is legal and justified? If not, to what relief is entitled?"

2. On receipt of the reference, the parties were noticed to file their respective statement of claim and written statement and accordingly, the workman, Shri Dharendra Pratap S. Bhagat, ("the workman" in short), filed the statement of claim and the management of the Subsidiary Intelligence Bureau, ("Party No. 1" in short) filed its written statement.

The case of the workman as projected in the statement of claim is that he had been in continuous and uninterrupted employment of party no. 1 from the year 1993, as a gardener and he was appointed in 1993 by the party no. 1 as an unskilled labourer and from the date of his appointment, he worked sincerely and honestly and there

was no complain against him by anybody and his service was clean and unblemished and he was performing his duty from 9.AM to 6 PM and also beyond the duty hours, as per needs and requirements of the office and as per the direction of party no. 1 and he was looking after the maintenance of the garden of the office of party no. 1 and also used to work in the canteen, as per orders of the superiors and he was not allowed even to avail the weekly off day and initially he was getting Rs. 25 per day as wages, which was subsequently increased to Rs. 66 per day, which was less than the minimum wages of Rs. 110 per day fixed by the Government, as per resolution dated 21-9-1999 of the Government of Maharashtra and he was hopeful that party no. 1 would give him the status of permanent employee, by taking into consideration his continuous, uninterrupted and meritorious service for more than eight years, but as such status was not given to him, he approached party no. 1 repeatedly to give him the status of permanent employee, but his requests were turned down and by his representation dated 21-10-2000, he applied to give him the status of permanent employee and the letter was received and acknowledged by party no. 1, but instead of giving him permanent status, party no. 1 orally terminated his services w.e.f. 14-07-2001, without any prior notice or without showing any reason and while terminating his service, neither one month's notice nor notice pay in lieu of notice was given to him and such termination was illegal, and he was not given any chance to defend his case and the illegal termination amounted to retrenchment and as such, he was entitled for retrenchment compensation but such compensation, was not paid by party no. 1 to him and the termination was in colourable exercise of powers by party no. 1, without compliance of the mandatory provisions of sections 25-F and 25-G of the Act and after such termination of his service, he repeatedly approached the party no.1 for reinstatement in service, but no action was taken in the matter by party no.1 and lastly he gave the approach notice dated 30-07-2001 to party no. 1 to withdraw the order of termination and to reinstate him in service with continuity and full back wages and though such notice was received and acknowledged by the party no. 1, neither any reply to the said notice was given nor any action was taken in the matter by party no. 1, so he raised the industrial dispute before the A.I.C (C) Nagpur.

3. The party no.1 in its written statement has pleaded inter-alia that it does not fall under the definition of "industry" as defined under section 2(j) of the Act and the provisions of the Act are not applicable to it and the workman was not at all in its employment and he never worked as a gardener and as the workman was never in its employment, the question of granting weekly off day does not arise and there is no question of termination of his services, or service of one month's notice or payment of one month's pay in lieu of notice and retrenchment compensation and provisions of section 25-F and 25-G are not applicable to it and the workman on some occasions

had worked as unskilled labour on daily wages to weed out grass in the precinct of its office and not on regular basis and there is no vacant post of gardener or workman for maintenance of the office and the workman by taking undue advantage of his having worked on same stray occasions is trying to lay his claim for permanent employment and the allegations made by the workman are totally false and the reference is to be answered in negative.

4. In support of his claim, the workman has examined himself as a witness. The workman has reiterated the facts mentioned in the statement of claim, in his examination-in-chief, which is on affidavit.

It is necessary to mention here that the evidence of the workman remained unchallenged, as none appeared on behalf of party no.1 to cross-examine the workman.

5. It is also necessary to mention here that on 15-06-2009 and thereafter, neither the party no.1 nor anybody else on his behalf appeared in the case, so on 7-12-2011, order was passed to proceed with the case ex-parte against the party no. 1

6. So far the first objection raised by the party no. 1 regarding the non applicability of the provisions of the Act to it, as it is not an industry as per the definition of Section 2(j) of the Act is concerned, from the pleadings of the party no. 1 and applying the principles enunciated by the Hon'ble Apex Court in the case the Bangalore Water Supply and Sewerage Board Vs. A. Rajappa, 1978 (36) F.I.R-266 to this case, it is found that the party no.1 is an industry as per the definition of Section 2 (j) of the Act and the provisions of the Act are applicable to it.

7. In view of the stands taken by the parties, I think it apt to mention the principles enunciated by the Hon'ble Apex Court in this regard, before embarking upon the discussion of the merit of the case.

The Hon'ble Apex Court, in the decision reported in AIR 1966 SC-75 (Employees, Digawadih Colliery Vs. Their workmen) have held that :-

"Though Section 25- F speaks of continuous service for not less than one year under the employer, if the workman has actually worked for 240 days during a period of 12 calendar months both the conditions are fulfilled. The definition of "Continuous Service" need not be read into Section 25-B. The fiction converts service of 240 days in a period of twelve calendar months into continuous service for one complete year. The amended Section 25-B only consolidates the provisions of Section 25(B) and 2(ecc) in one place, adding some other matters. The purport of the new provisions, however, is not different. In fact, the amendment of Section 25-F of the principal Act by substituting in clause (b) the words "for every completed year of continuous service" has removed a discordance between the unamended section 25B and the unamended Cl. (b)

of Section 25-F. No uninterrupted service is necessary if the total service is 240 days in a period of twelve calendar months either before the several changes or after these. The only change in the Act is that this service must be during a period of twelve calendar months preceding the date with reference to which calculation has to be made. The last amendment has now removed a vagueness which existed in the unamended Section 25-B".

In the decision reported in AIR 1981 SC-1253 (Mehanlal Vs. M/s. Bharat Electronics Ltd.), the Hon'ble Apex Court have held that,

"Industrial Disputes Act (14 of 1947). Section 25-B (1) and (2)- Continuous service-Scope of sub-sections (1) and (2) is different. (words and phrases-Continuous Service)

Before a workman can complain of retrenchment being not in consonance with Section 25-F, he has to show that he has been in continuous service for not less than one year under that employer, who has retrenched him from service. Section 25-B as the dictionary clause for the expression "continuous". Both in principle and are precedent it must be held that Section 25-B (2) comprehends a situation where a workman to not in employment for a period of 12 calendar months, but has rendered for a period of 240 days within the period of 12 calendar months commencing and counting backwards from the relevant date, i.e. the date of retrenchment. If he has, he would be deemed to be in continuous service for a period of one year for the purpose of Section 25-B and chapter V-A".

The Hon'ble Apex Court in the decision reported in AIR 2003 SC-38 (M/s. Essen Deinay Vs. Rajeev Kumar) has held that :

"Industrial Disputes Act (14 of 1947- S.25-F, 10-Retrenchment compensation-Termination of services without payment of -Dispute referred to Tribunal-Case of workman/claimant that he had worked for 240 days in a year preceding his termination-Claim denied by management-Onus lies upon claimant to show that he had in fact worked for 240 days in a year-In absence of proof of receipt of salary workman is not sufficient evidence to prove that he had worked for 240 days in a year preceding his termination".

So, it is clear from the principles enunciated by the Hon'ble Apex Court in the decisions mentioned above that for applicability of Section 25-F of the Act, it is necessary to prove that the workman worked for 240 days in preceding 12 calendar months commencing and counting backwards from the relevant date and the burden of such proof is upon the workman.

The present case at hand is now to be considered with the touch stone of the principles enunciated by the

Hon'ble Apex Court and it is to be found out, if the workman has been able to prove that he had in fact worked at least for 240 days in a year preceding his termination. According to the workman, his services were orally terminated on 14-7-2001. So, it is necessary to prove that in the preceding twelve calendar months of 14-07-2001, the workman had worked for 240 days.

8. In this case, besides filing his affidavit, the workman has filed Xerox copies of some attendance register and one alleged duty performance report, in support of his claim of working continuously from 1993 to 14-07-2001.

It is necessary to mention here that the workman has neither in the statement of claim nor in his affidavit has mentioned about the existence of such documents. Such documents have also not been proved and admitted in evidence. So far the called duty performance report is concerned, the same is a computer generated document. The said document does not bear any seal or signature of anybody. Hence the said document has no evidentiary value. So far the Xerox copies of the attendance registers is concerned, it is found that nothing has been mentioned in the same that the same are the Xerox copies of the attendance register maintained by the party no.1. In the said copies, in number of pages, the word "Dhirendra @." has been added before Munna Bhagat to show that the same were attendance sheets of the workman. However, the workman nowhere including in his affidavit has mentioned that his name is Dhirendra @ Munna Bhagat. According to the workman, he was working as the gardener from 1993 to 14-7-2001. It is not the case of the workman that he was helping the gardener. On perusal of the copy of the alleged attendance sheets for February-99 to June- 99, it is found that one C.J. Chidam was working as the "Mali" (Gardener). If C.J. Chidam was working as the gardener, then the claim of the workman that he was working as the gardener does not seem to be correct. The attendance sheets of the months of September, June, May, April, January, February, April, May, June and September, 2000 show "November, 1999" at the top of the sheets, raising suspicion that the same were prepared by Xeroxing the attendance sheet of November, 1999. The most important thing is that the so called attendance sheets relate to the period from November, 1997 to September, 2000. The said documents do not show that the workman in fact had worked for 240 days in the preceding 12 months of 14-07-2001.

As the workman has failed to satisfy the eligibility qualification prescribed in Section 25-F read with Section 25-B of the Act, the provisions of Section 25-F are not applicable to his case and as such, he is not entitled for any relief.

ORDER

The action of the Joint Director, Subsidiary Intelligence Bureau, Nagpur in terminating the employment

of Shri Dharendra Pratap Singh Bhagat, Gardener w.e.f. 14-7-2001 by oral orders is legal & justified. The workman is not entitled to any relief.

AWARD

The Central Government, Ministry of Labour vide its Order No. L-22012/155/2011-IR (CM-II) dated 11-1-2012 referred the following Industrial Dispute to this Tribunal for adjudication.

The schedule mentioned in that order is:

"Whether the action of the Management of N.L.C Ltd. in removing the rolls of Sri M. Selvaraj, Senior Technician, Grade-I Employee No. 31648 is legal and justified? To what relief the concerned workman is entitled to?"

2. After the receipt of Industrial Dispute, this Tribunal has numbered it as ID 4/2012 and issued notices to both sides. First Party entered appearance initially and thereafter filed a Vakalat. Second Party entered appearance and filed a Vakalat. Thereafter on 14-03-2012, 22-03-2012, 03-04-2012, 19-04-2012, 30-04-2012 and finally today i.e. 14-05-2012 when the ID stood posted for further proceedings the petitioner did not turn up. No Claim Statement or Counter Statement was filed. Respondent filed Memo of Objection alleging three charges to have been framed against the concerned workman, Sri M. Selvaraj and an enquiry having been conducted which was by a Retired District and Sessions Judge. By the finding dated 28-12-2010 he was found guilty. On 28-05-2011 he was removed from service, which punishment was confirmed by the Appellate Authority by an order dated 18-07-2011. The punishment is fair and proper and is not to be interfered with. The dispute is to be dismissed.

3. Points for consideration are:

(i) Whether the removal from service of Sri M. Selvaraj, Senior Technician, Grade-I is legal and justified?

(ii) To what relief the concerned workman is entitled?

Points (i) & (ii)

4. The petitioner remained absent. He has not chosen to adduce any evidence to prove his claim. The contention of the Respondent raised in the Memo of Objection is that the charges against him have been proved in a properly conducted enquiry which was held by a Retired District and Sessions Judge. He was found guilty of charges. Punishment is fair and proper and is not to be interfered with. Needless to say, it is upon the petitioner to substantiate his case that the punishment of removal inflicted on him by the Management is not legal and justified, if it is actually so. When he wishes the Court to be satisfied and made believe that it is so it is for him to discharge that burden

which has not been done. The inevitable conclusion is that the punishment of removal imposed on him is only legal and justified and he is not entitled to any order in his favour.

5. The reference is answered accordingly.

AWARD

Passed on this 7th day of May 2012

1. The Government of India, Ministry of Labour vide its Notification No.L-22012/59/96-IR(C-II) dated 14-3-97 has referred the following dispute for adjudication by this tribunal:-

"Whether the action of the Sub Area Manager, Birsinghpur Pali, Sub Area of SECL, Johilla Area in superceding Shri Ramdas Vishwakarma Mech. Fitter, Category V by promoting juniors to him to the post of Mech. Fitter Category VI vide order dated 26-30-11-94 is legal and justified? If not, to what relief the concerned workman is entitled?"

2. The case of the workman, in short, is that Shri Ramdas Vishwakarma was initially appointed as General Mazdoor in the year 1972 in SECL and promoted on the post of Helper Category II. Thereafter he was promoted as Khalasi in Cat.III and further as Pump Driver in Cat IV. It is stated that the cadre of Pump Driver and Mechanical Fitter were of equal status and in the same category. As such he was promoted as Mechanical Fitter Cat V w.e.f. 1-1-1990 and was working alongwith one Shri Rampal Singh. The next promotion in the Category No. VI was ordered on 26/30-11-94 to other employees including Shri Rampal Singh and Shri Bansilal but he had been ignored without any reason. He had been discriminated though there was no complaint against him. The workman represented but it was not considered. It is submitted that the workman is also entitled to be promoted as Mechanical Fitter Category VI from the date of his junior Shri Bansilal was promoted with all consequential benefits.

3. The management appeared and filed Written Statement. The case of the management, inter alia, is that the workman was admittedly appointed as General Mazdoor Cat-I on 10-11-1972. Subsequently he was promoted as Helper Cat-II, then Pump Khalasi Cat III on availability of post on 1-1-1979. He was again promoted as Pump Driver Cat IV on 30-4-83. The workman had chosen the job of Mechanical fitter Cat-IV instead of Pump Driver Cat IV as both were of the same category and the management had accommodated on availability of post on 7-7-84. Thereafter he was promoted as Mechanical Fitter Cat-V as per Cadre Scheme I.I.No.30 on 1-1-1990 on Seniority-cum-Merit Basis as per Cadre Scheme. The management did next promotion in the said cadre from Mechanical Fitter V to Mechanical Fitter Cat-VI on 30-11-94 but the said workmen did not appear in

Trade Test as per Cadre scheme organized by the Departmental Promotion Committee (in short DPC). As such he was not considered for promotion by the DPC on 30-11-94 and his name was not recommended by the DPC. Under the above circumstances, the workman is not entitled to any relief.

4. On the basis of the pleadings of the parties, the following issues are settled for adjudication—

I. Whether the action of the management in superseding the workman but promoting Juniors from Mech. Fitter Cat V to Cat VI vide order dated 26/30-11-94 is legal and justified?

II. To what relief the workman is entitled?

5. The workman appeared in the case and filed Statement of claim. He adduced his evidence. Thereafter he became absent. The then Tribunal proceeded the reference exparte against the workman on 10-9-2008.

6. Issue No. I

The workman Shri Ram Das Vishwakarma is examined in the case. He has supported his case. He has stated that he was appointed General Mazdoor Cat-I in the year 1972. Thereafter he was promoted as Helper Cat-II then Khalasi, Cat-III and then Pump Driver Cat-IV. He has stated that Pump Driver and Mechanical Fitter are in the same category. He and Shri Rampal Singh were promoted as Mechanical Fitter, Category-V vide order dated 1-1-90. He has further stated that on 26-11-94 Shri Rampal Singh and junior workers were promoted as Mechanical Fitter, Category VI but he was not promoted in the said category VI though he was fully competent to be promoted on the said post. In cross-examination, he has stated that there is a channel for promotion. He has admitted that there is no examination for promotion upto Category V. The workman has not filed the cadre scheme and its procedure for promotion. However he has filed the same office order dated 1-1-1990 (Paper No. 7/2) which is also filed by the management to show that he was promoted from Mechanical Fitter Category IV to Mech. Fitter Cat-V alongwith Shri Rampal Singh. He has also filed the admitted office order dated 26-30/11/94 whereby Shri Rampal Singh and others were promoted from Mech. Fitter Cat-V to Mech. Cat-VI. This order doesnot show as to why the workman is not promoted. In absence of cadre scheme and its procedure it is difficult to say that there was any discrimination done to the workman.

7. On the other hand, the management has adduced oral and documentary evidence. The management has filed cadre scheme circulated vide I.I.No. 20/30 dated 26-6-84 which is paper No. 9/11. Clause 3.2 deals promotional channel in Mechanical discipline which is as follows—

“ Clause 3.2

Selection for the posts upto Category V shall be on the basis of seniority-cum-merit and from category V to VI on the basis of merit-cum-seniority. Selection to Supervisory Gr.C shall be on the basis on selection on merit from employees in Category VI. Similar promotion from Gr.C to B and from Gr. B to A shall be on the basis of skill/merit-cum-seniority.”

Thus it is clear that the promotion from Category V to Category VI is on the basis of merit-cum-seniority.

8. Annexure VII-B is the promotion channel of the Mechanical Fitter of the Cadre Scheme which are paper nos 9/9 to 9/10. The said channel shows that the promotion in Mechanical Fitter Category VI is to be done by DPC and Trade Test. Thus it is clear that Trade Test is required for promotion in Cat-VI. The management has filed the DPC report which are paper Nos. 9/4 and 9/5. The report shows that DPC was constituted who met on 15-11-94. It also shows that for promotion from Mech. Fitter Cat-V to Cat-VI a trade test was taken and Shri Ram Singh and Others appeared in the test. Their marks are indicated in the report. The report further shows that the workman Shri Ramdas Token No. 35 had not appeared in the Trade Test as such DPC did not consider his case. The report shows that the management was legal and justified for not promoting the workman vide order dated 26/30-11-94. The management has filed the copy of the notice dated 9-10-94, which is paper No. 9/3, to show that the workman Shri Ramdas was also noticed to appear in Trade Test for considering promotion from Cat- V to Cat-VI. There is no case of the workman that he had appeared in the Trade Test organized by the management. The only contention of the workman is that the promotion in Cat. VI is based on seniority-cum-merit. Thus it is clear from the documents' referred above that the promotion was on the basis of merit-cum-seniority and the workman did not participate in the trade test. As such the action of the management is justified.

9. The management has also examined one witness namely Shri Rajendra Singh who was working as Superintendent Engineer (E&M) from Nov. 90 to April 98. He was also one of the member of the DPC. He has supported the case of the management. He has stated that except the workman Shri Ramdas, all other eligible departmental candidates appeared in the said DPC/Trade Test. He had not attended the said Trade Test held on 15-10-94 and as such his name was not recommended for promotion on the post of Mech. Fitter Cat-VI. He is not cross-examined. His evidence is un rebutted. There is no reason to disbelieve his evidence specially because his evidence is in corroboration with the documentary evidence. Thus it is clear that the workman was not entitled to be promoted w.e.f. 26-30/11/94. This issue is decided against the workman and in favour of the management.

10. Issue No. II

On the basis of the discussion made above, it is clear that the workman is not entitled to any relief. It is out of place to say that subsequently the workman appeared in the Trade Test and he is promoted from Mech. Fitter Cat-V to Mech. Fitter Cat-VI by the recommendation of DPC vide office order dated 3-2-99 (Paper No. 8/7). Accordingly the reference is answered.

11. In the result, the award is passed without any order to costs.

AWARD

Passed on this 10th day of May, 2012

1. The Government of India, Ministry of Labour vide its Notification No.L-22012/124/F/94-IR(C-II) dated 29-7-94 has referred the following dispute for adjudication by this tribunal :—

“Whether the action of the management of Food Corporation of India in relation to their Rajnandgaon Depot in not including the name of Smt. Binda Bai Dongra W/o Shri Om Prakash Dongra, Hamal for departmentalization and in refusing her employment w.e.f. 1-4-1992 is lawful and justified? If not, to what relief the workman shall be entitled to?”

2. The case of the workman, in short, is that Smt. Binda Bai was working since 1983 at Rajnandgaon Depot of Food Corporation of India (in short FCI) under the contractor as Lady Labourer. In the year 1988 she met an accident and was hospitalized for three months. After discharging from hospital she was unfit for several months. She filed case before the Court at Durg under Workman's Compensation Act. On settlement with contractor Smt. Pradeep Mirani of FCI, Rajnandgaon, she received compensation amount. After settlement, the said contractor again engaged her on work and was working regularly. In the year 1990 there was a strike of the Union. Thereafter the work was being taken by the department directly and there was no contractor. The workers of Rajnandgaon were departmentalized w.e.f. 1-4-91 vide order passed by the FCI in May 1992 except this lady worker and few others. It is stated that this lady worker was disengaged w.e.f. March 1992 without notice and without payment of retrenchment compensation. It is alleged that Hafiz Khan, Shanker Sahu and Santosh Sahu were departmentalized w.e.f. 1-4-91 who were not engaged before at Rajnandgaon depot. It is submitted that this worker be reinstated with back wages from the date of termination and the management be further directed to departmentalize her w.e.f. 1-4-91 with all consequential benefits.

3. The management appeared and filed Written Statement to contest the reference. The case of the management, inter alia, is that the FCI is a corporation established under Food Corporation Act, 1964. The non-applicant/management has several godowns and storage depots through out the country who awarded contracts for two years or so for handling and transportation of food grains to the contractors. The contractors were paid on piece rated as per bag only. The contractors engaged labourers and there was no disciplinary or administrative

control on the labourers so engaged by the contractors. The Govt. of India vide notification dated 7-9-90 prohibited the employment of contract labour in few godowns of M.P. including FSD Rajnandgaon under Contract Labour (Regulation and Abolition) Act, 1970. Thereafter the Union started pressing for implementation of the notification. It is stated that on 12-4-1991 a settlement was arrived between FCI Management and FCI Workers, Union for departmentalization/regularization of labourers. In terms of settlement, the management had to provide bio-data forms to the Union which was to be filled in by the workers and furnished by the Union to the management. The bio-data was to be examined by the management and the Union. Thereafter after ascertaining physical fitness and age, the management had to issue identity cards to the workers. In terms of settlement, the management finalized 98 handling and 60 ancillary labours of FSD Rajnandgaon after identification process and were regularized w.e.f. 1-4-1991.

4. The further case of the management is that the name of the applicant/workman and 7 others did not appear in the list of labourers whose names were finalized by the management after verification of the bio-datas and identification conducted in association with FCI workers Union. However the names of Shri Santosh Sahu, Shankarlal Sahu and Mohd. Hafiz were in the list whose names were identified by the FCI Management in association with FCI workers Union. It is stated that during the year 1987 to 1992 the name of the applicant/workman does not appear in the attendance register. The applicant was never employed by the management as such the question of giving notice or retrenchment compensation does not arise. Under the circumstances, the applicant/workman is not entitled to any relief.

5. On the basis of the pleadings of the parties, the following issues are framed for adjudication—

I. Whether Smt. Binda Bai was in the employment of management of FCI? If so, whether the action of the management in refusing her employment w.e.f. 1-4-1992 is lawful and justified?

II. Whether the action of the management in not including the name of Smt. Binda Bai for departmentalization is lawful and justified?

III. Relief and costs?

6. Issue No. I

According to the applicant/workman, she was working since 1983 at Rajnandgaon Depot of FCI under contractor and met an accident in the year 1988. She was hospitalized for three months. After discharge from the hospital, she was unfit for several months and compensated by the contractor under workman's Compensation Act by the order of the Court. He was again engaged by the contractor Shri Pardeep Mirani of FCI, Rajnandgaon. In

the year 1990 after strike of the Union, the work was being taken directly by the management. The workman has not filed any document to show that she was working with the contractor and from which date and she was compensated by the contractor Shri Pardeep Mirani by the Court under workman's Compensation Act and thereafter she was again engaged by the said contractor till 1990. It appears that there is existence of document whereby it can be established that she was compensated by the contractor Shri Pardeep Mirani. In absence of those documents, the oral evidence is not believable when there is documentary evidence. However it is clear that it is admitted by the workman that she was not an employee of the management. Now the question is as to whether she was engaged by the management in direct control or not. There is no documentary evidence to show that Smt. Binda Bai was under direct control of the management and she was ever paid wages directly by the management.

7. The workman Smt. Binda Bai is examined in the case. She has stated that in the year 1990 she was paid by the Collector on Collector's rate but no paper is filed to show that she was employed after met with an accident in the year 1988. In cross-examination, she has stated that from 1983 to 1988 she was working under contractor and the contractor had given compensation. There is no documentary evidence to show that thereafter she was again engaged by the contractor. Her evidence is not sufficient to prove that she was in the employment of the management of FCI and was refused her employment w.e.f. 1-4-92.

8. On the other hand, the management specific case is that the Govt. of India vide notification dated 7-9-90 prohibited the employment of contract labour in specified godowns and depots of the FCI for work of handling of food grain including loading and unloading. It is stated that on 12-4-91 a settlement was arrived between FCI management and FCI Workers Union for departmentalization/regularization of labours. Thereafter a list was finalized on furnishing the bio-data by the FCI Workers Union and were regularized w.e.f. 1-4-91. The name of Smt. Binda Bai did not appear in the list furnished by the FCI Union. The management's specific case is that she was never employed by the management.

9. The management has also adduced oral evidence. The management witness Shri S. J. Uke has not turned up for further cross-examination. As such his evidence cannot be looked into. Another witness Shri P. L. Parte was posted as Manager, District Office, Durg. He has supported the case of the management. He has stated that in the year 1989 to 1991 Universal Transport Company was contractor for handling and transporting of Food grains of FCI at Rajnandgaon and there was no control on the labourers of the contractor. His evidence shows that the workman was not under the employment of FCI. He has further stated

that on 1-11-1990 the Govt. of India prohibited contract labour through contractor by notification. They the FCI Workers Union settled with the management on 12-4-1991 for departmentalization of the contract labours of the contractor. He has stated that FCI Workers Union furnished the list of 159 workers with biodatas who were working with the contractor and the name of Smt. Binda Bai did not appear in the list. This clearly shows that she was not working with the contractor at the very time and as such her name was not in the list. There is nothing in the cross-examination to disbelieve the evidence of this witness. His evidence is also in corroboration with the documentary evidence. Thus his evidence shows that Smt. Binda Bai was not in the employment of the management and therefore the question for refusing her in employment w.e.f. 1-4-1992 does not arise.

10. The applicant/workman has filed the copies of settlement dated 12-4-91 arrived between the FCI management and the list of workers finalized by the management on furnishing bio-data of the workers by the FCI Workers Union which are marked as Exhibit W/1 and W/2. The same documents are also filed by the management. These are admitted document. Exhibit W/1 is a settlement dated 12-4-91 arrived in between the management and FCI Workers Union in view of the number of notifications issued by the Govt. under section 10 of the Contract Labour (Regulation & Abolition) Act, 1970 whereby the contract labours were prohibited and the management decided to introduce departmentalization of the contract labours working in the depots through contractors and Rajnandgaon depot of MP was also in the list. Clause 3(c) of the said settlement appears to be the manner in finalizing the list of workers for departmentalization. Clause 3(c) runs as follows—

“The management shall provide bio-data forms to the Union for the number of hands so assessed which would be filled in by the workers and furnished by the union to the management. The bio-data so furnished will be jointly examined by the management and the Union. The same bipartite team will ascertain physical fitness and age of the workmen whereafter the management shall issue identity cards to the workers concerned.”

This settlement clearly shows that FCI workers Union had to furnish the biodatas of the workers who were working with the contractors.

11. Exhibit W/2 is the final list of the labourers of Rajnandgaon which was decided for departmentalization. The said list is filed by both the parties. The said list shows that the name of Smt. Binda Bai does not appear in the list. This clearly shows that Smt. Binda Bai was not working during the relevant period with contractor as such the FCI workers Union had not furnished her bio-data to the management. This clearly shows that Smt. Binda Bai was

not in employment of the management and therefore the question to refuse her employment w.e.f. 1-4-92 does not arise. This issue is decided against the workman and in favour of the management.

12. Issue No. II

On the basis of the discussion made above, it is clear that the workers were departmentalized on the basis of biodata furnished by the FCI Workers Union and finalized by the management and the workers Union together. This further shows that these workers who were working at the relevant time were regularized on the identification of the Union. There is no pleading of the applicant/workman that the FCI Workers Union had intentionally omitted her name and had not furnished her bio-data to the management in terms of the settlement. It is evident that Smt. Binda Bai was not working at the relevant period. Thus it is clear that the action of the management in not including the name of Smt. Binda Bai for departmentalization is lawful and justified. This issue is also decided against the applicant/workman and in favour of the management.

13. Issue No. III

Considering the entire evidence, I find that Smt. Binda Bai is not entitled to any relief. The reference is, accordingly, answered.

14. In the result, the award is passed without any order to costs.

AWARD

In exercise of powers conferred by clause (d) of Sub-section (1) and Sub-section 2 (A) of Section 10 of the Industrial Disputes Act, 1947(14 of 1947), Govt. of India through the Ministry of Labour vide its letter No.L-22012/265/98- IR(CM-II) dated 26-5-1999 has been pleased to refer the following dispute for adjudication by this Tribunal.

SCHEDULE

“Whether the action of the Management of Dhemomain Colliery of M/s. ECL in dismissing Sh. Tarkeshwar Nunia, U.G. Loader is justified? If not, to what relief is the workman entitled?”

2. Having received the Order of Letter No. L-22012/265/98- IR(CM-II) dated 26-5-1999 of the above said reference from the Govt. of India, Ministry of Labour, New Delhi for adjudication of the dispute, a reference case No. 59 of 1999 was registered on 07-6-1999 and accordingly an order to that effect was passed to issue notices through the registered post to the parties concerned directing them to appear in the court on the date fixed and to file their written statements along with the relevant documents and a list of witnesses in support of their claims. In pursuance of the said order notices by the registered post were sent to the parties concerned.

3. The case of the sponsoring union for workman Tarakeshwar Nunia, has been unblemishedly working as U.G. Loader since his appointment at Dhemomain Incline Colliery, Sodepur Area of M/s. ECL. But he was issued Charge Sheet No. DMC/L-6/2/97/27 dated 11-3-97 under Sec.17(i) (c) & (r) Model Standing Order for his alleged attempt to rape and molest Miss Dulali Mejhan, Piece-rated Kamin, UM. No. 125318 in duty which was witnessed by seven co-workers and as well as he was suspended. Denying the charge, the workman replied to it, requesting for withdrawal of suspension order, as he was admitted to Sanctoria Hospital for treatment of a dog bite(rabies) on the same day. On 11-04-97, the workman with his co-worker B.S. Pandey, Miss Dulali Mejhan, witnesses Smt. Allahdi Mejhan and other witnesses attended the Domestic Enquiry, in which Mr. S.K. Chatterjee in his statement alleged the molestation of aforesaid Miss Dulali as compared to the allegation of his attempt to molest or rape her as stated by witnesses Smt. Reba Devi, but none including the alleged victim referred to the charge of molestation or rape. Though it was alleged against the workman as drunk at that time, he was not medically examined for it. In spite of the charge as unproved, the Enquiry Officer held him guilty of the said charge. Neither proper opportunity of hearing was given for his defence nor the Enquiry Report was based on any material of the record. Thereafter, the workman was dismissed from service as per the letter No. ECL/STA/C-6/1822A dated 08-5-1997 of the Deputy Chief Personal Manager of Sitarampur Area

of M/s. ECL. The dismissal of the workman was malafide, improper and illegal as well as highly shocking for the said charge. The Criminal Case No. 297/1997 initiated against him, in which he was arrested but released on bail, has been settled between both the parties on 05-9-2001 at Asansol Court.

4. Admitting the charge sheet and suspension of the workman, the Management with specific denials adversely pleaded that on finding the explanation of the workman totally unsatisfactory, an enquiry into the charge was fairly held by independent Enquiry Officer properly in accordance with law. The workman duly participated and was given full opportunity for his defence in the enquiry proceeding. At its completion, the Enquiry Officer submitted his enquiry report, holding him guilty of the charge proved against him. Hence, after on careful consideration of all the facts, the Disciplinary Authority awarded him punishment of dismissal as per dismissal order dated 16-6-1997 which was right in view of the gravity of his misconduct involving immoral turpitude. The criminal proceeding against him for it is entirely independent of the disciplinary proceeding against him for it according to the provisions of the Standing Order. The torture upon a female employee on duty is inexcusable in view of the discipline and culture of the industry. His acquittal could not be equated with his such misconduct.

Finding with reasoning

In the instant case, after hearing both the parties, on the preliminary point, I find that since the Learned Lawyer of the workman has not challenged the fairness of the enquiry, because the workman had personally appeared and actively participated in Domestic Enquiry availing of the full opportunity for his defence. So the Domestic Enquiry was held to be valid and fair as per Order dated 08-12-04 of the Tribunal in this case. Then the case came up hearing arguments on merits.

Workman Tarakeshwar Nunia himself appeared and submitted that since he was acquitted by the Criminal Court the offence in a Criminal Case for the same charge on the basis of the compromise, so his dismissal from the service for the aforesaid charge of attempt to molest/rape co-female worker Dulali Mejhan, piece-rated Kamin on 11-3-97 was very harsh for him. On the other hand, the Learned Advocate for the management Contended that outraging the modesty of a co-lady worker on duty amounts to graver misconduct of the present workman, so his dismissal as a punishment for his misconduct can not be softened with the compassion of the lady woman and it was quite proportion to the gravity of his misconduct during employment.

On appreciation of the materials available on the case record under Section 11A of the Industrial Dispute Act, I find that workman Tarakeshwar Nunia known as “Khichri” was found guilty of his gross misconduct i.e.

drunkenness, disorderly or indecent behavior, threatening, accusing and assaulting a co-worker and habitual indiscipline under Section 17(i) (e) (g & r) respectively of the Model Standing Order 1946 as per the Enquiry Report dated 13-04-97 (Exhibit M6) which is based on the statements of the witnesses and the workman himself. Such type of indecent miss-deal of the workman with a female worker Dulali Mejhan, piece-rated worker on duty in presence of other co-workers near V.T.C. of Dhemomain Colliery on 11-03-97 goes contrary to the industrial discipline and culture. So I am of the view that the dismissal of the workman for his such hateful and shameful misconduct was quite proportionate to his misconduct of serious nature under the provision of the Model Standing Order. It is remarkable to note that it is a settled law that acquittal of an accused worker in his criminal case for an offence of outraging modesty of a woman will not affect the Departmental Enquiry, because the Enquiry is quite independent of it under the rules of the Company.

In result it is held the action of the management of Dhemomain Colliery, M/s. ECL in dismissing Sri Tarakeshwar Nunia (Khichri), U.G. Loader is quite justified. Therefore, he is not entitled to any relief in this case.

ORDER

Let an "Award" be and same is passed as per above. Send the copies of the Award to the Govt. of India, Ministry of Labour, New Delhi, for information and needful.

AWARD

By Order No. L-22012/166/2000-IR (C-II) dated 29-1-2001 the Central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

"Whether the action of the management of FCI, Patna in not regularising the workman Sh. Birendra Rai and Sh. Girija Bharti, Drivers is legal and justified? If not, to what relief the workman is entitled?"

2. The case of the concerned workman is that Birendra Rai was employed by the management of FCI at Regional Office, Patna on 30-8-1994 as Car Driver and he worked so Driver till 5-6-1999 and Shri Girija Bharati was employed on 23-9-1995 and worked till 3-6-1999 regularly as staff Car Driver in the Regional Office, FCI, Patna. They were driving the office car of the then Sr. Regional Manager and other car of the office regularly they were also employed at the disposal of visiting officers. Both the concerned workman have completed much more than 240 days service within 12 calendar months. Birendra Rai was stopped from attending his job w.e.f. 6-5-1999 in utter violation of Sec. 25(F) of the I.D. Act, 1947, whereas Girija Bharati was stopped from attending his job w.e.f. 4-6-1999 and that too in contravention of Sec 25(F) of the I.D. Act. Before retrenching them from their services they were not give notice, notice pay in lieu of notice and compensation. They were being paid wages @ Rs. 50 per day which was much less than the wages of regular driver of the management. Later on their wages was enhanced to Rs. 60 per day. After their retrenchment other person from outside were employed as driver to drive the office vehicle of the

management and they are still driving the office car at Regional Office, FCI, Patna. One Promode Tiwari was employed from outside, Sakchichand Prasad was employed after his retirement and Md. Yanish was also employed to drive the official vehicle of the management but the claim of the concerned workman was not considered and they have been illegally stopped from attending their job with a view to accomodate their own men. There was vacancies against the post of driver at the time of retrenchment and still there are vacancies available as such there is no difficulty is their regularisation. The concerned workman are entitled to get wages and other benefits at par with regular driver from the date of their initial engagement and they are also entitled to for their regularisation w.e.f. 5-5-99 and 3-6-99. In such circumstances, it has been prayed that the Hon'ble Tribunal be pleased to pass an award in favour of the workman by directing the management to reinstate and regularise the services of the concerned workman as driver w.e.f. the date of their stoppage/retrenchment i.e. 5-5-99 and 3-6-99 with back wages and other benefits.

3. The case of the management is that Birendra Rai and Girija Bharti were not employed by the management of FCI, RO, Patna as regular car driver during the period 30-8-1994 to 5-5-1999 and 28-9-1995 to 3-6-99 respectively. Their services have been utilised on the other hand in FCI, RO, Patna and DO, Patna to run the cars of these offices on daily wages basis as and when required as per their idleness in local market along with several other car drivers engaged for same purpose on daily wage basis as per their availability from the local market. But it is absolutely not true that Birendra Rai and Girija Bharti were engaged by any of the above officers of FCI regularly during the above mentioned period. Birendra Rai and Girija Bharti as and when engaged by RO/DO Patna of FCI were used for driving the cars of these offices for official purpose. There is no such office order that Birendra Rai was deputed to FCI, DO, Patna to drive the car of District Manager, Patna. It was the District Manager, Patna who started availing the services of Sri Rai for driving the car of FCI, DO, Patna from 1-12-1996 to 24-12-1997 that too not regularly but as and when required. They have not completed work for more than 240 days without any break during 12 calendar months of any of the year. As such the question of stopping Birendra Rai and Girija Bharti from driving car of the office 6-5-99 and 3-6-99 respectively in violation of Sec. 25-F of the ID Act does not arise. It has been submitted that from 1st April, 1999 the services of M/s. Bansal Communication Centre, Patna was availed for provision of driver, for driving the cars of FCI, RO, Patna as and when required and as such the allegation of Birendra Rai and Girija Bharti that they were deprived from attending the job for driving the cars of FCI Patna from 6-5-99 and 3-6-99 respectively are baseless and irrelevant. Departmental benefits like salary, leave, OTC, bonus, medical facilities etc. extended by the corporation to its employees/drivers cannot be extended

to drivers engaged from local market or from any agency on adhoc basis on daily wages.

In view of the facts explained above, it has been submitted that the sponsoring union has no right to demand for regularisation of these two persons who have been engaged by the Corporation only on certain occasions as and when required to drive its vehicle.

4. The management produced MW-1, Anand Mohan Das, MW-2, Ajay Kumar Singh and proved documents as Exts. M-1 to M-4.

The concerned workman produced WW-1, Birendra Rai and WW-2, Girija Bharti.

They have filed photo copy of Log Books maintained by them.

5. Argument advanced on behalf of the concerned workmen is that Birendra Rai worked as Driver from 30-8-94 to 5-5-99 and Girija Bharti worked as Driver from 28-5-95 to 3-6-99 Birendra Rai was stopped from working w.e.f. 6-5-99 and Girija Bharti was stopped from work w.e.f. 4-6-99. It has also been argued that they have worked for more than 240 days in a calendar year. They were working with the management even on holidays, but the management is not regularising them.

6 The management argued that they are casual workmen. They are not the employees of the management of FCI. They were engaged for need of the management as and when required.

7. The representative of the workmen argued that the certificates issued by Sr. Regional Manager, Sri K.P. Bakshi and District Manager as per Exts. M-1, M-2 and M-3. They have also filed photo copies regarding of Parliament Election Duty. The Log Books have been signed by them. It only shows that they had been performing duties of General Election. They have filed Log Books as per Ext. M-4.

8. In this respect the evidence of the management is very much material. The management's witness, MW-1, Anand Mohan Das, stated in cross-examination that I cannot say if they were given notice before stopping from service. Even after the stoppage the work is taken through agency. Drivers get Log Book. Details are entered in the log books. I cannot say if advance was being paid to the casual drivers for purchasing diesel.

Management's witness MW-2, Ajay Kumar Singh, stated in cross-examination that the concerned workmen was working there as driver at that time. At that time Sri Bakshi was Sr. Regional Manager and Sri C.P. Gond was District Manager. These certificates are under the signatures of Mr. Bakshi and Mr. Bond. Exts. M-1, M-2 and M-3. The Log Book of FCI, Ext. M-4 is maintained by FCI. I cannot say if any notice pay was given to them or not. At that time Sri K.P. Bakshi was Sr. Regional Manager and Sri C.P. Gond was District Manager who issued certificates

to the concerned workmen, Exts. M-1, M-2, M-3 They have worked as per Ext. M-4. This is also maintained by the concerned drivers. It shows that they have worked for more than 240 days. No notice have been given to them for stopping their work. The management is taking work through agency. It shows that vehicle is there, and they are working and it shows that the management want to pay meagre wages to them. As per written statement of the management they have admitted in para 2 that the concerned workmen are regular car driver. Their services have been utilised in FCI, DO, Patna and DO, Patna to run the cars of these offices on daily wages basis as and when required and again it has been stated in para 4 that the District Manager, Patna started availing the services of Sri Rai for driving the car of FCI, DO, Patna from 1-12-1995 to 24-12-1997. Even after their stoppage from service the concerned workmen performed the election duty, It shows that the concerned workmen are entitled for their reinstatement and regularisation from the date of their stoppage/retrenchment.

9. In the result, I hold that the action of the management of FCI, Patna, in not regularising the workmen, Birendra and Girija Bharati, Drivers, is not legal and justified. Hence, the concerned workmen are entitled to be reinstated and regularised i.e. Birendra Rai from 5-5-99 and Girija Bharati from 3-6-99 with 50% back wages and other consequential benefits. The management is directed to implement the award within 30 days from the date of publication of the award.

This is my Award.

AWARD

(Dated : 23rd May, 2012)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of WCL and their workman, Shri Suresh Kumar Arya, for adjudication, to CGIT-cum-Labour Court, Nagpur as per letter No. L-22012/63/2009-IR (CM-II) dated 23-2-2010, with the following schedule:-

"Whether the action of the management of M/s. WCL in awarding the punishment of dismissal from service w.e.f. 19-12-2008 to Shri Suresh Kumar Arya is legal and justified? To what relief is the workman concerned entitled?"

2. On receipt of the reference, parties were noticed to file their respective statement of claim and written statement, in response to which, the workman, Shri Suresh Kumar Arya, ("the workman" in short) filed the statement of claim and the management of WCL, ("party no. 1" in short) filed the written statement.

The case of the workman as projected in the statement of claim is that the Party No. 1 is a subsidiary of Coal India Limited and the provisions of Bombay Shops and Establishments Act are applicable to it and he was working as a driver of motor vehicle with Party No. 1 (b) and on 28-7-2008, he was deployed in duty in the Secretariat of the Chairman-cum-Managing Director and he was informed by the CMD's secretariat about allotment of his duty to drive ambassador car no. MI131-II-6483 and accordingly, he took the key of the said car and verified the log book and on such verification, he found the said car not to be in use since 7-7-2008 and he checked with

other drivers and was informed that the said car was kept idle, as it was having problem with the break and just to ensure himself, he took out the car from gate no. 1 for trial and during testing of the car at C.P. Club lawn, he felt restless and had vomiting sensation, so he stopped the car on the road and started vomiting and at that time, he was helped by one Mr. Manoj Anand in washing his face with a bottle of water kept in the car and during that time, an officer, namely, Mr. Ghosal while going on that way in his car faced problem in passing the car, so Mr. Ghosal shouted in anger and hurled abuses at him and when Mr. Ghosal was informed about his not feeling well, Mr. Ghosal instead of showing any pity, warned him that he would face the music and left the place and after some time, when he felt better, he brought back the car and parked the same in the CMD's bungalow and as he was still not feeling well, he was taken to WCL Dispensary by Shri Selokar and after treatment and check up by the doctor of WCL Dispensary, he was referred to Arneja Hospital, where he was treated and was asked to come to the hospital again after 24 hours for check up and the treatment papers of Arneja Hospital were produced in the inquiry initiated against him and he clarified that he had taken the car for testing at 9 a.m. and due to uneasiness, he did not make entry in the log book and on 29-07-2008, a written complaint was filed by Mr. Ghosal against him, alleging that he was taking out fuel from the car on 28-7-2008 and for that investigation was necessary and on 29-7-2008, he was served with a charge sheet under clause 26.01 of the 'Certified Standing Orders, on the allegation that he was found taking out petrol from vehicle MH 31- H-6483 on 28-7-2008, and on 31-7-2008, he replied to the said charge sheet denying the allegations and Shri U.R. Bagade was appointed as the Enquiry Officer and during the enquiry, he was not supplied with copies of the documents and list of witnesses and the management was represented by Shri Arora, Superintending Engineer and the charge being serious, it was necessary to grant permission to him to engage an advocate, but such permission was not granted and the report submitted by the Enquiry Officer was on sided and without evidence and the findings are perverse and the evidence of Shri Ghosal was unreliable and two other witnesses did not support the allegations and it can therefore be held that the charges have not been proved and the conclusions drawn by the enquiry officer are baseless and the final show cause notice issued on 24-11-2008 was mechanical and he filed his reply stating there in about seven defects in the enquiry and the enquiry was conducted in violation of the principles of natural justice and sanction of the appropriate authority was not obtained before dismissing him and the appeal filed by him was rejected without going to the merit of the case and his past service record was clean and excellent and therefore, the punishment of dismissal is shockingly disproportionate. The workman has prayed for reinstatement in service with continuity and back wages.

3. The Party No. 1 in its written statement has pleaded that, the provisions of Bombay Shops and Establishment Act are not applicable to it and it has its own Certified Standing Orders which is applicable to it since 1993 and the workman was working as a driver and for the serious act of misconduct committed by him, charge sheet dated 29-7-2008 was served on him and in the said charge sheet, it was alleged inter-alia that on 28-7-2008 at about 9.00 a.m., the workman had unauthorizedly took the key of the Ambassador Car No. MH-31-AH-6483 belonging to the company, from the security guard posted at CMD's Bungalow and took the vehicle from the parking shed of WCL office to outside the company premises and near C.P. Club Lawn, he stopped the car and drained out petrol from the vehicle unauthorizedly and at 9.30 a.m., he brought back the car and parked the same at the parking shed and deposited the key of the vehicle with the security guard and Shri S.K. Ghosal made complaint of the matter to the management of WCL and the workman submitted his reply and the departmental enquiry was conducted by following the principles of natural justice and all the opportunities were given, to the workman to defend himself in the enquiry and he was allowed to engage co-worker and copies of documents were given to him and witnesses were examined in his presence and he was allowed to cross-examine the witnesses and he was also given scope to adduce defence evidence and reasons have been assigned by the Enquiry Officer in support of his findings and the enquiry was legal and proper.

4. As this is a case of dismissal of the workman from service, after holding a departmental enquiry, the validity of departmental enquiry was taken up as a preliminary issue for consideration and as per order dated 22-7-2011, the enquiry conducted against the workman was held to be legal, proper and in accordance with the principles of natural justice.

5. At the time of argument, it was submitted by the learned advocate for the workman that it is clear from the evidence adduced in the departmental enquiry that the workman was not keeping well and the car in question was taken by the workman for testing at 9.00 a.m. and during testing, the workman felt uneasy, so he returned back at 9.30 a.m. and there was no siphoning of petrol and there is absolutely no evidence about theft, dishonesty and therefore, the charge under clause 26.01 is not all proved and the workman being a driver was entitled to test the car, whenever it was lying idle for some days and the charge has not been proved and the findings recorded with reference to such evidence are totally false and the officer in charge of the vehicle was not examined as a witness in the enquiry, so there is no evidence that the car was taken away by the workman illegally and the key of the car was taken from the security guard, therefore, there is absolutely no dishonesty or fraud and the findings of the Enquiry Officer are based on imagination and the

findings are perverse and the order of dismissal dated 19-12-2008 does not disclose that past record of the workman was considered before passing of the said order and as such, the same is liable to be set aside and the workman is entitled for reinstatement in service with continuity and back wages.

6. Per contra, it was submitted by the learned advocate for the Party No. 1 that the enquiry has already been held to be legal, proper and in accordance with the principles of natural justice and the findings of the Enquiry Officer are not perverse and even by applying the tests as laid down by the Hon'ble Apex Court to the present case, it cannot be said that the findings of the Enquiry Officer are perverse and the workman was a driver and it has been proved that he was involved in dishonesty and the Party No. 1 lost confidence in him and the punishment therefore is commensurate with the gravity of the misconduct and there is no scope for the Tribunal to interfere with the same.

7. At this juncture, I think it proper to mention about the jurisdiction of the Tribunal in the matter of interference with the disciplinary matter for punishment. In this regard, it is well settled by string of decisions of the Hon'ble Apex Court that a disciplinary proceeding is not a criminal trial and the standard of proof required is that of preponderance of probability and not proof beyond reasonable doubt and the jurisdiction of the Tribunal to interfere with the disciplinary matters for punishment cannot be equated with appellate jurisdiction and the Tribunal cannot interfere with the findings of the enquiry officer or competent authority, where they are not arbitrary or utterly not perverse and the power to impose penalty on the delinquent workman is conferred on the competent authority and if there has been an enquiry consistent with the rules and in accordance with the principles of natural justice, what punishment would meet the ends of justice is a matter exclusively within the jurisdiction of the competent authority and if the penalty can be lawfully imposed and is imposed on the proved misconduct, the Tribunal has no power to substitute its own discretion for that of the authority.

Keeping in view the settled principles as mentioned above, now, the present case in hand is to be considered.

8. On perusal of the record including the documents of the departmental proceedings, it is found that this is not a case of no evidence before the enquiry officer. It is also found that the findings of the enquiry officer are based on the evidence adduced in the enquiry. The enquiry officer has not taken any extraneous materials into consideration to arrive at the findings. He has analyzed the evidence in a rational manner. He has also assigned cogent reasons in support of his findings. Hence, the findings of the enquiry officer cannot be said to be perverse.

9. So far the proportionality of punishment is concerned, it is found that grave misconduct of theft of fuel has been proved against the workman in a properly conducted departmental proceeding. The party no. 1 has lost confidence in the workman. So, the punishment of dismissal from services imposed against the workman cannot be said to be shocking disproportionate. Hence, it is ordered: ---

Order

The action of the management of M/s. WCL in awarding the punishment of dismissal from service w.e.f. 19-12-2008 to Shri Suresh Kumar Arya is legal and justified. The workman is not entitled to any relief.

AWARD

(Dated: 22nd May, 2012)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of WCL and their workman, Shri M.B. Nagpure, for adjudication, as per letter No. L-22012/96/2001-IR (CM-II) dated 17-4-2002, with the following schedule:—

"Whether the action of the management of WCL through its General Manager, Majri Area of WCL, at Kuchana, PO : Shembul, Distt. Chandrapur in not regularizing Shri M.B. Nagpure as per settlement dated 02-11-1992 arrived between the management and union is legal and justified? If not, to what relief the said workman is entitled?"

2. On receipt of the reference, parties were noticed to file their respective statement of claim and written statement, in response to which, the workman Shri M.B. Nagpure, ("the workman" in short) through his union, "Rashtriya Koyal Khadan Mazdoor Sangh (INTUC)", ("the union" in short) filed the statement of claim and the management of WCL ("party no. 1" in short) filed the written statement.

3. In the statement of claim the union made prayer to regularize the services of the workman and to designate him as PIT Supervisor w.e.f. 1-1-1994 or 1-1-1995 and to fix his pay as PIT Supervisor from 1-1-1994 or 1-1-1995 d to pay the arrears.

4. The party no. 1 in the written statement denied the pleadings made in the statement of claim and prayed for answering the reference in negative, stating that the workman is not entitled for any relief.

5. It is necessary to mention here that on 22-5-2012, the case was posted for cross examination of the workman. However, the union representative, (the Joint General Secretary of the union, who had filed the statement of claim on behalf of the workman) filed an application stating that the workman, Shri M.B. Nagpure has already been retired from service of WCL on 29-2-2012 and as such, the present industrial dispute has become infructuous. He made prayer to close the reference on the ground that in view of the retirement, the workman will not get any benefit even if the award is passed in his favour. In view of the application filed by the union representative, it is necessary to pass a "no dispute" award in this case. Hence, it is ordered: -

ORDER

The award in this reference be treated as "no dispute" award. The application filed by the union representative is made part of the award.

Sanyukta Koyla Mazdoor Sangh (AITUC),

Distt. Shahdol (MP).

AWARD

(Dated: 29th May, 2012)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of SECL and their workman, Shri K.S. Abraham, for adjudication, as per letter No. L-22012/64/2000-IR (C-II) dated 18-09-2000, with the following schedule:—

"Whether the action of the management of Sohagpur Area of SECL, PO: Dhanpuri, Distt. Shahdol (MP) in not promoting Sh. K.S. Abraham from Sr. Cashier in clerical special grade to Chief Cashier in Cash Cadre is legal and justified? If not, to what relief the workman is entitled?"

2. On receipt of the reference, the parties were noticed to file their respective statement of claim and written statement and accordingly, the Union, "Sanyukta Koyla Mazdoor Sangh, (AITUC), ("the union" in short) filed the statement of claim on behalf of the workman, Shri K.S. Abraham ("the workman" in short), and the management of the SECL ("Party No.1" in short) filed its written statement.

The case of the workman as presented by the union in the statement of claim is that party no. 1 has laid down certain promotions policies known as cadre scheme for the employees as per the provisions of Joint Bipartite Committee of Coal Industry ("JBCCI" in short) and the cadre scheme is applicable to the employees of party no.1 and such cadre schemes are not subjected to change/interpretations/modifications/alteration/amendments automatically or arbitrarily by the management on their own or in consultation with the trade unions and such cadre schemes include cadre scheme for ministerial staff (Cash personnel cadre) and cadre for Accounts Personnel and such cadre schemes were violated by party no.1 in the matter of promotion of the workman to the post of Chief Cashier and the workman was promoted as Sr. Cashier, Special Grade on 17-10-1990, after working as cashier since 24-09-1985 at Dhanpuri OCM under the party no.1 and one Shri Udai Pratap Chand, whose initial designation/post was supervisor-cum-clerk was promoted as Accountant in T&S grade 'A' as on 22-09-1995 and he was all along in the cadre of Accounts Personnel and his promotional avenues were in the cadre of Accounts personnel and he had nothing to do with the cadre scheme meant for Ministerial Staff (Cash Personnel Schemes) and as per the cadre scheme, Shri Udai had no claim what so ever in cash personnel cadre and he also did not have the required experience for the said cadre, in comparison to the workman, but party no. 1, in violation of the cadre scheme, re-designated Shri Udai as Senior Cashier and promoted him as Chief Cashier at Area Cash section and subsequently

transferred him to Amlai OCM unit and for changing the designation, the required option was not even exercised by Shri Udai, nor did the party no.1 obtain the same from him and on 24-09-1990, Shri Udai was unilaterally and arbitrarily re-designated as senior cashier with a mala fide intention, on the basis that his initial date of joining was earlier to the workman, which ultimately resulted into promotion of Shri Udai as Chief cashier on 09-05-1997 in cash section of Area office at Sohagpur Area, who was subsequently transferred to Amlai OCM unit.

The further case of the workman as presented by the union is that the workman was working in cash section of Dhanpuri OCM as senior cashier, much prior to the re-designation of Shri Udai as senior cashier and the party no.1 wrongfully, maliciously and unilaterally inducted Shri Udai into the cash personnel cadre, which was detrimental to the interest of the workman, who was the senior most senior cashier in the Area Cash department and due to the action of party no. 1, the workman was superseded by Shri Udai in the matter of promotion as Chief Cashier and the seniority of the workman was adversely affected and the case of the workman should have been considered for promotion as Chief Cashier and Shri Udai, a stranger to the cash personnel cadre should not have been inducted by party no.1 in violation of the cadre scheme and the claim of the workman for his promotion as chief cashier with protection of seniority over Shri Udai is quite genuine, rightful and justified.

Prayer has been made by the union for a direction for promotion of the workman w.e.f. 08-05-1997 with all consequential benefits and protection of seniority over Shri Udai.

3. The party no. 1 in its written statement has admitted that there are two separate cadre for accounts and cash personnel viz. cadre scheme for Ministerial Staff (Cash Personnel cadre) and cadre for Accounts personnel and cadre scheme for Ministerial Staff Cadre came into effect in 1984, by implementation instruction no. 34 dated 17-07-1984 and cadre for Accounts personnel came into existence in 1985 by implementation instruction no. 99 dated 22-07-1985 and due to introduction of cash and Accounts cadre, it was necessary to streamline the system in compliance to the cadre scheme and taking the said facts into accounts and also finding the many employees were working as cashiers, though they were not designated as such, the Deputy Chief Finance Manager, Sohagpur initiated note sheet No. 2365 dated 18-09-1992 proposing to invite applications from departmental candidates in cash section to absorb them in cash section and re-designate them as cashier/Sr. Cashier/Chief Cashier and in compliance to such note sheet, the Deputy CPM, Sohagpur directed to submit the details of the persons working as cashiers, but not designated as such, for their re-designation and on receipt of details of such employees, the Deputy CPM, by letter dated 2488 dated 09-10-1992,

directed the concerned officers to obtain and forward options from such employees expressing their willingness to continue in cash section, so as to re-designate them and the Deputy Chief Finance Manager, Sohagpur by letter no. 2465 dated 02-11-1992, forwarded the options submitted by Shri Udai, cashier / cash accounts clerk dated 20-10-1992 and that of Shri M.K. Soni, cashier/cash clerk dated 20-10-1992 to the Deputy Chief Personnel Manager, Sohagpur and the Deputy Chief Personnel Manager, by note sheet no. 1244 dated 29-12-1992, proposed for re-designation of Shri Udai and Shri M.K. Soni in cash cadre and on approval of the proposal by the competent authority, officer order no. 453 dated 20-04-1993 was issued effecting re-designation of Shri Udai and Shri Soni as Sr. Cashier and cashier respectively coming into the said post i.e. from 24-05-1990 and 14-05-1988 respectively and the re-designation of Shri Udai and Shri Soni was done by taking their options in corresponding scale, in compliance to notes 1 and 2 of the cadre scheme and the workman was promoted as Sr. Cashier by order no. 3856 dated 17-10-1990 and Shri Udai was much senior and qualified than the workman and was re-designated/promoted on 24-09-1990 and he was senior to the workman in the said post and Shri Udai was by mistake promoted as Accountant in Technical & Supervisory grade 'A' by office order no. 166 dated 22-09-1995 and when it came to its notice that Shri Udai had already been re-designated as Sr. cashier and did not belong to Accounts cadre, the order no. 166 dated 22-09-1995 was cancelled by office order no. 966 dated 10-01-1996 and though Shri Udai represented against the cancellation of his promotion by letter dated 26-02-1996, no relief was granted to him owing to the reason of his re-designation in cash cadre.

It is further pleaded by the party no. 1 that a D PC was constituted by office order no. 6063 dated 20-02-1997, for consideration of the eligible senior cashiers for promotion to the post of chief cashiers and the committee met on 05-01-1997 and put up the recommendations and there were three vacancies of chief cashiers, out of which, one was reserved for SC & ST employees out of which, one was and out of the three candidates, Viz. Shri Udai, Shri M. Varghese and the workman, Shri Udai and Shri Varghese were selected and promoted as chief cashiers vide office order no. 1113 dated 09-05-1997, as they were at serial no. 1 and 2, as per merit and there were only two vacancies of the post of chief cashiers and the claim of the workman is based on unreal condition and there was never any violation of the cadre scheme and the re-designation of Shri Udai was in strict compliance of the cadre scheme and though Shri Udai was from Account cadre, he was doing the work of cashier and opted for the same and as such, the regularization of Shri Udai as Sr. cashier in line with cadre scheme is legal and justified and as such, the workman is not entitled to any relief.

4. In the rejoinder, it is pleaded by the workman that streamlining the system as claimed by party no. 1 is not

automatic and even the SECL (Company) including Area Manager, Sohagpur was not empowered to violate the cadre scheme and the process of re-designation of Shri Udai did not bear the approval of the company or the corporate office and Shri Udai did not have 5 years experience in the next below grade/post before his re-designation as Sr. cashier as on 24-09-1990 in the cash cadre and due to untimely re-designation of Shri Udai as Sr. cashier, he became senior to the workman and the option submitted by Shri Udai was actually not an option, but a predetermined selection of Shri Udai to please him and for promotion over the workman and the cancellation order of the promotion of Shri Udai is irrelevant in view of the fact that the claim of the workman was related to dated 24-09-1990 and not to what happened on 22-09-1990 and as Shri Udai did not have 5 years of experience in cash section as cashier, prior to his re-designation as on 24-09-1990, his re-designation as Sr. cashier was not at all justified and was not legal, in view of the foot notes in the cash personnel cadre scheme.

5. Besides placing reliance on documents, both the parties led oral evidence in support of their respective claims. The workman examined himself as a witness in support of his claim. His examination-in-chief is on affidavit. The workman in his examination-in-chief has reiterated the facts mentioned in the statement of claim. In his cross-examination, the workman has stated that it may be right to say that the dispute was raised before the ALC on 18-08-1999 and he cannot say if management had obtained the option of Shri V.P. Chand for his change of his designation on 24-09-1990 or not. However, the workman has again stated that the option was taken in 1993 and management was authorized to change the designation of the employees including Shri V.P. Chand by taking option from the employees.

6. One Kishore Pathak, the Personal Manager, SECL, Sohagpur has been examined as a witness on behalf of the party no. 1. The evidence of the said witness is also on affidavit. Witness for the party no. 1 has reiterated the facts mentioned in the written statement, in his evidence on affidavit. It is necessary to mention here that the evidence of this witness has remained unchallenged, as none appeared on behalf of the union to cross-examine him.

7. At the time of argument, it was submitted on behalf of the workman that the cadre scheme is not subjected to any change or modification at the option of the company or the management or even with consultation of the union and Shri Udai had no claim in cash cadre and he had no experience as required in the said cadre scheme and in violation of the cadre scheme, Shri Udai was designated as senior cashier w.e.f. 24-09-1990 vide order dated 24-04-1993, without any working experience in cash cadre and office order regarding promotion of Shri Udai in Accounts cadre w.e.f. 24-09-1990 as Accounts Assistant proves that he was working in Accounts cadre and the re-

designation of Shri Udai as Sr. cashier was done without of his having any experience in cash cadre and as such, the same was not legal and justified and an individual option for a change in the cadre makes the said employee the junior most in the cadre seniority as the change is to be deemed as "on one's own request" and as Shri Udai gave such option, he should have been placed at the bottom of the seniority list and not above the workman and Shri M. Varghese, who was working in cash section as senior cashier and such exercise was done by the management only to give illegal promotion to Shri Udai and therefore, the workman is entitled for the reliefs claimed in the statement of claim.

8. Per contra, the learned advocate for the management, in the written notes of argument, reiterated the stands taken by the party no.1 in the written statement. It was also submitted that Shri Udai was working as cashier and regularizing him as cashier was in the line with cadre scheme and Shri Udai has already been retired from services of SECL in 2001 and the workman challenged the seniority of Shri Udai by way of raising industrial dispute on 18-08-1999 i.e. after a lapse of six years and after two years of the promotion of Shri Udai and Shri Udai was senior to the workman and the claim of the workman that his colleagues were given promotion by superseding him is incorrect and without any basis and the workman is not entitled for any relief.

In support of such contentions, reliance was placed on the decision reported in 1995-II-LLJ-885 (SC) (Telecommunication Engineering Services Association Vs. Union of India).

9. Before delving into the merit of the matter, I think it necessary to mention here that it is well settled in a number of decisions by the Hon'ble Apex Court that the Tribunal cannot travel beyond the schedule of reference and the adjudication must be done as per the schedule of reference. In this case, the schedule of reference is only in regard the legality or otherwise of not giving promotion to the workman as chief cashier. Nothing has been mentioned in the schedule of reference regarding re-designation of Shri Udai as senior cashier or regarding giving him promotion by the management as Chief Cashier on 09-05-1997. However, the union has virtually challenged the legality of the action of the party no.1 in re-designating Shri Udai as senior cashier in the statement of claim, which is beyond the schedule of reference made by the Central Government.

10. It is not disputed by the parties that Shri Udai was re-designated as senior cashier in the cash cadre scheme as per order dated 20-04-1993, w.e.f. 24-09-1990. According to the union, such action of party no.1 was in violation of the cadre scheme and therefore, was illegal, whereas, according to the party no.1, the re-designation of Shri Udai was in line with the cadre scheme and was done to streamline the cadre scheme and no illegality was

committed by it in that respect. It is necessary to mention here that the materials on record clearly show that no objection was raised either by the union or the workman, when Shri Udai was re-designated as senior cashier w.e.f. 24-09-1990 by office order dated 20-04-1993. It is found from the record that when Shri Udai was promoted as chief cashier as per office order 09-05-1997, the workman was not promoted as chief cashier, then only for the first time the workman raised objection as to the promotion of Shri Udai and the party no.1 intimated him that as Shri Udai was senior to him as senior cashier, he was given promotion (as per the letter no. 2163 dated 17/19-07-1997 on record). Thereafter also, the union and so also the workman remained silent for about two years without taking any action or raising any industrial dispute. The industrial dispute was first raised by the union before the ALC (Central), Shahdol on 18-08-1999. No explanation has been offered for such delay. So, the claim of the union is a state claim.

11. Foot note 2 of cadre scheme for Ministerial staff (Cash Personnel Cadre) shows that clerical special grade and Tech & Supervisory grade-A can be re-designated as cashier according to the corresponding scales of the said cadre scheme and accordingly, party no. 1 took steps to streamline the cadre scheme. It is found from the documents on record that party no.1 asked for the name of the persons and other details working as cashier, though not designated so and then obtained the option from the said employees including Shri Udai for their re-designation in cash personnel cadre. So, it cannot be said that the option of Shri Udai was his individual option for a change in the cadre. Hence, there is no force in the contention raised by the union that Shri Udai should have been placed at the bottom of the seniority list of cashier.

It is also found from record that the promotion of Shri Udai as Accountant w.e.f. 22-09-1995 by office order dated 22-09-1995 was a mistake and prior to such order, Shri Udai was already re-designated as senior cashier and such mistake was rectified by party no.1, by cancelling the promotion of Shri Udai by order dated 10-01-1996. It is also found from record that the case of the workman alongwith Shri Udai and Shri M. Varghese was considered for promotion as Chief Cashier, by the DPC, but as there were only two posts of Chief Cashier, DPC recommended the names of Shri Udai and Shri Varghese for promotion to the post of Chief Cashier and accordingly Shri Udai and Shri Varghese were promoted as Chief Cashier, as per office order dated 09-05-1997. As the name of the workman was not recommended for promotion by the DPC, he was not given promotion to the post of Chief Cashier.

In view of the materials on record and the discussions made above, it is found that there is no force in the contentions raised by the union. Hence, it is ordered:-

ORDER

The action of the management of Sohagpur Area of SECL, PO: Dhanpuri, Distt. Shahdol (MP) in not

promoting Sh. K.S. Abraham from Sr. Cashier in clerical special grade to Chief Cashier in Cash Cadre is legal & justified. The workman is not entitled to any relief.

AWARD

(Dated: 28th May, 2012)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of WCL and their workman Shri Sunil Das, for adjudication, as per letter No.L-22012/321/2004-IR (CM-II) dated 20-07-2005, with the following schedule:—

"Whether the action of the management of Mathani Colliery of Western Coalfields Limited, Pench Area in

terminating She Sunil Das, General Mazdoor from services is legal and justified? If not, to what relief the concerned workman is entitled?"

2. On receipt of the reference, parties were noticed to file their respective statement of claim and written statement in response to which, the workman Shri Sunil Das, ("the workman" in short) through his union, the SKMS (AITUC) ("the union" in short) filed the statement of claim and the management of WCL Pench Area ("party no. 1" in short) filed the written statement.

3. The case of the workman is that while he was working as a D.P.R. in the underground mine of Nehariya, charge sheet bearing No.02/418 dated 07-12-02 was submitted against him and he submitted his explanation, but the management was not satisfied with his explanation and decided to proceed against him in a departmental proceeding and though he attended the inquiry, during the enquiry, he became ill and could not able to attend the inquiry and he gave intimation to the Enquiry Officer in writing about the same and also about the absence of his co-worker, but the Enquiry Officer refused to accept the same and as such, he was compelled to send his application by registered post and inspite of the same, the Enquiry Officer did not stop the enquiry and completed the same, which was nothing but violation of the code of conduct by the management. Prayer has been made by the union to set aside the departmental inquiry and to reinstate the workman in service with continuity and full back wages.

4. The party no. 1 in its written statement has pleaded inter alia that the workman was deployed as D.P.R. at Nehariya UG mine, before his services were terminated on the charges of proved misconduct and the workman was in halt of remaining unauthorized absence and he remained unauthorized absence for more than 10 days which constituted misconduct under the certified standing orders so the workman was issued with a charge sheet and the charges were specific and detailed in the charge sheet and the workman was asked to submit his explanation within 3 days of the receipt of the charge sheet, but he did not submit any explanation and as such, it was decided to hold a departmental enquiry into the charges and Shri G.K. Gupta was appointed as the enquiry officer, vide letter dated 25-03-2003 and the workman received the copy of the said letter on 28-03-2003, but he did not raise any objection either to the constitution of the enquiry or the appointment of the enquiry officer and the enquiry officer vide his letter dated 27-03-2003 fixed the enquiry to 01-04-2003 at 4.00 pm, and advised the workman to appear in the enquiry with his documents, witnesses and co-worker on the appointed date, time and place and the workman received the letter on 28-03-2003 and he appeared in the enquiry on 01-04-2003 and sought for adjournment, on the ground of taking assistance of a co-worker and the enquiry officer allowed the prayer and fixed the next sitting of the enquiry to 05-04-2003 at 03.00 pm, which was noted by the parties including

the workman and on 05-04-2003, though the workman appeared in the enquiry, he did not bring his co-worker and on the request of both the parties, the enquiry was fixed to 11-04-2003, with due intimation to the workman vide letter dated 07-04-2003, which was received by him and on 11-04-2003, the workman did not appear in the enquiry and he also did not send any information to the enquiry officer regarding his inability to attend the inquiry and though the management representative prayed to precede with the enquiry ex-parte, the enquiry officer did not proceed with the enquiry ex-parte and deferred the enquiry to 16-04-2003, for giving another chance to the workman to take part in the enquiry in the interest of natural justice and the workman was intimated about the date of the next sitting of the enquiry by the enquiry officer, vide his letter dated 11-04-2003, which was received by the workman and in spite of receiving the letter and having intimated the date of the departmental enquiry, on 16-04-2003 neither the workman nor, his co-worker appeared in the enquiry and the enquiry officer decided to hold the enquiry ex-parte and accordingly, on 16-04-2003 ex-parte hearing was held and the management representative presented the case of the management and filed documents in support of the charges and thereafter, the enquiry was closed and the enquiry officer submitted his report on 22-04-2003, holding the workman guilty of the charges and while writing the report, the enquiry officer analyzed the evidence and documents produced before him in an objective and unbiased manner and arrived at a natural and reasonable conclusion and a copy of the enquiry report was sent to the workman vide letter dated 24-04-2003, by the Sub Area Manager, Neheriya UG Mine, asking him to offer his comments within a stipulated time and the same was, received by the workman on 03-05-2003 and as the workman did not offer any comments or make any representation against the enquiry report, the Disciplinary Authority after considering the repetitive misconduct and habitual absenteeism, imposed the punishment of termination of his services vide his letter dated 17-05-2003 with immediate effect and while imposing the punishment, the past service record of the workman was taken into consideration and the workman did not file any appeal against the punishment and the enquiry held against the workman was fair and proper and the punishment of termination is legal, justified and proportionate to the charges. It is also pleaded by the party no. 1 that the workman initially attended the enquiry and sought adjournments, but ultimately he did not participate in the enquiry nor sent any information about the reason of his non-attending the enquiry and as such, the enquiry was held ex-parte and the workman had not intimated about the reason of his absence in the enquiry by registered post and even though several opportunities were given to the workman to put up his defence in the enquiry, he did not avail the same and the workman is not entitled for any relief.

5. As this is a case of termination of services of the workman after holding of a departmental enquiry, the validity of the departmental enquiry was taken up as a preliminary issue for consideration and as per order dated 17-08-2011, the departmental enquiry conducted against the workman was held to be proper, legal and in accordance with the principles of natural justice.

6. At the time of argument, it was submitted by the union representative that though the workman appeared in the enquiry on 04-02-2003, but the subsequent dates of enquiry were not intimated to him and as such, he could not able to appear in the enquiry and the Enquiry Officer and the management representative inconnivence with each other, proceeded with the enquiry ex-parte against the workman and as such, the entire enquiry was illegal.

However, at the cost of repetition, it is to be mentioned here that the departmental enquiry conducted against the workman has already been held to be legal, proper and accordance with the principles of natural justice. Hence, there is no scope to consider the submission made by the union representative again in that regard.

7. On the other hand, it was submitted by the management representative that at no stage, the union has challenged about the perversity of the findings of the Enquiry Officer or the quantum of punishment and on that ground alone, the findings of the Enquiry Officer can be held to be not perverse and otherwise also, the Enquiry Officer has based his findings on the evidence adduced in the enquiry and his report is not contrary to the evidence on record and as such, the findings are not perverse. It was further submitted that commission of grave misconduct by the workman has been proved in a properly held departmental enquiry and the punishment imposed against the workman cannot be said to be shockingly disproportionate and therefore, there is no scope to interfere with the punishment.

In support of such contentions, reliance has been placed on the decisions reported in AIR 1970 SC-1331 (M/s Perry & Co. Ltd. Vs the Labour Court), 1996 LAB IC-467 (SC) (B.C. Chaturvedi Vs Union of India), 2003 LAB IC-757 (SC) (Regional Manager, UPSRTC, Etawah Vs Hotilal), 2005 LAB IC-4158 (SC) (V. Ramina Vs APSRTC) and 2005 LAB IC- 854 (SC) (Bharat Forge Co. Ltd. Vs Uttam Manohar).

So, keeping in view the principles enunciated by the Hon'ble Apex Court in the decisions mentioned above, the present case in hand is to be considered.

8. Perused the record. Admittedly, there is no challenge in the statement of claim or at any stage of this case regarding the perversity or otherwise of the findings of the Enquiry Officer or regarding the proportionality of the punishment by the union. Moreover, from the materials on record, it is found that the Enquiry Officer has given his findings on the basis of evidence

adduced in the departmental enquiry. He has not taken any extraneous material for consideration to reach at the findings. The Enquiry Officer has assigned cogent reasons in support of his findings, after analyzing the evidence on record in a rational manner. This is not a case of no evidence or that the findings of the Enquiry Officer are against the evidence on record. Hence, the findings of the Enquiry Officer cannot be said to be perverse.

9. So far the proportionality of the punishment is concerned, grave misconduct of remaining unauthorized absence for more than 10 days has been proved against the workman in a properly conducted departmental enquiry against him. The punishment imposed against the workman cannot be said to be shockingly disproportionate to the proved misconduct against him. Taking into consideration the facts and circumstances of the case and applying the principles enunciated by the Hon'ble Apex Court in the decisions mentioned above to the present case in hand, it is found that there is no scope to interfere with the punishment imposed against the workman. Hence, it is ordered:—

ORDER

The action of the management of Mathani Colliery of Western Coalfields Limited, Pench Area in terminating She Sunil Das, General Mazdoor from services is legal and justified. The workman is not entitled to any relief.

AWARD

(Dated: 30th May, 2012)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of WCL and their workman, Shri Patiram, for adjudication, as per letter No.L-22012/254/2006-IR (CM-II) dated 18-01-2007, with the following schedule:—

"Whether the action of the management of M/s. WCL in dismissing Shri Patiram from services w.e.f. 24-12-2005 is legal and justified? If not, to what relief is the workman entitled?"

2. Being noticed, the union Sankyukta Koyla Mazdoor Sangh (AITUC) ("the union in short) filed the statement of claim on behalf of the workman, Shri Patiram, ("the workman" in short) and the management of WCL, ("Party No. 1" in short) filed the written statement.

The case of the workman is that while he was working in Nehariya underground mine, a false charge sheet was submitted against him, on the allegations that he remained unauthorized absence from 20-03-2004 and actually, he was undergoing treatment from 20-03-2004 to 03-09-2004 and he had applied for permission to join duty, along with the prescriptions regarding his treatment and the party no. 1 had sent the documents regarding his treatment. to the chief medical officer of Badkuhi hospital, by letter no. 1069 dated 04-10-2004 for verification and thereafter, he worked continuously in the mine and the management after making note sheet for giving him permission to join duty had sent the note sheet to the G.M. Office, Parasia, but as the note sheet was lost, a fresh note sheet was prepared on 09-04-2005 and vide order no. 1.01/2005/05, he was allowed to resume duty, inspite of the same, but the party no. 1 proceeded with the false departmental enquiry and by order dated 10-02-2005, he was dismissed from service and the departmental enquiry conducted by

the party no. 1 was quite illegal, as because, by one hand, he was dismissed from service, but on the other, by order dated 25-05-2005, change of his designation was allowed and by order dated 11-1-2005, his designation was changed. It is also pleaded by the workman that in the departmental enquiry, shri G.A. Dutta was the representative for the management and the second sitting of the departmental enquiry was fixed at 11. A.M. on 09-07-2005 and the departmental enquiry against one shri Salikram was also fixed on the same date and time and in that enquiry also, the enquiry officer and the management representative were the same and it is quite impossible for a single enquiry officer to conduct two different enquires at the same time and as such, it can be held that the enquiry against him was in violation of the principles of natural justice and the entire enquiry was illegal.

3. In its written statement, the party no. 1 has pleaded that the workman was working as a DPR at Neharia UG Mine, before his services were terminated on the charges of proved misconduct and the workman became a habitual absentee, so much so that during the years 2002 and 2003, he had worked only for 113 and 90 days respectively and for the remaining period of the said years, he remained unauthorized absent, without any intimation and he again started to remain absent unauthorisedly without any intimation to the management and without obtaining sanctioned leave from 20-03-2004 and the management after waiting for nearly one year, issued the charge sheet dated 10-02-2005, asking him to submit his explanation and the charges were detailed in the charge sheet and the workman submitted his written explanation on 14-02-2005, denying the charges and as the explanation submitted by the workman was found not to be satisfactory, the matter was referred to a departmental enquiry and Shri G.K. Gupta was appointed as the enquiry officer with intimation to the workman and the workman received the intimation letter, but did not protest either against the constitution of the enquiry or the appointment of the enquiry officer and the enquiry officer fixed the enquiry to 01-07-2005 and informed and advised the workman vide his letter dated 23-06-2005 to attend the enquiry on the date fixed with his witnesses, documents and co-workers, if any, but the workman did not attend the enquiry on 01-07-2005, so the enquiry was adjourned to 09-07-2005, on which date, the workman appeared in the enquiry and filed an application to allow shri Balwant Singh to act his co-worker and the application was allowed by the enquiry officer and at the outset of the enquiry, the enquiry officer explained the procedure of the enquiry to the parties and being asked, the workman did not admit the charges leveled against him and thereafter, the management representative made a statement in support of the charges and the workman made his own defence statement and filed documents, which were taken on record and the workman was cross-examined by the management representative and thereafter, the enquiry was closed with consent of both the parties

and the enquiry officer submitted a detailed report after analyzing the evidence and found the workman to be guilty of the charges and copy of the enquiry report was sent to the workman vide letter dated 30-09-2005/07-10-2005, asking him to submit his comments/reply within 15 days, but the workman did not submit any comments/reply to the enquiry report and considering the serious nature of the misconduct and examining his past service record, the workman was dismissed from services by letter dated 24-12-2005 with immediate effect and the workman had never informed the management nor sent any medical certificate nor applied for leave during the entire period of his alleged sickness and the medical certificates were manipulated later on to cover up the unauthorized absence and when outside treatment certificates are brought, the same are sent to the company doctor for verification and counter signature and the workman was allowed to join duty, pending enquiry and the conversion of the workman from piece rated to time rated had nothing to do with his unauthorized and habitual absenteeism and the enquiry held against the workman was just, fair and proper and his dismissal from services is legal and proportionate to the charges.

4. As this is a case of dismissal of the workman from services, after holding a departmental enquiry, the validity of the departmental enquiry was taken as a preliminary issue for consideration and by order dated 06.07.2011, the departmental enquiry conducted against the workman was held to be legal, proper and in accordance with the principles of natural justice.

5. At the time of argument, it was submitted by the union representative that the workman appeared in the enquiry with his co-worker and denied the charges leveled against him and the workman also produced the evidence in support of his defence case and as the workman was ill, he remained absent from duties and he had intimated about such illness to the office of the management in the hand of one Dinesh Odiya and the workman had produced the documents regarding his illness and treatment in the office of the management and those documents were sent by the management on 04-10-2004 to the Chief Medical Officer, Badkuhi hospital and the workman was all along asking the management to allow him to join his duties and a note sheet was sent to Parasia colliery to allow the workman to join duty, but as the said note sheet was lost, on 09-04-2005 another note sheet was sent in that respect and as per the order of Dy. Chief Personnel Manager, he was allowed to join duty and inspite of production of documents by workman in support of his illness and treatment before the enquiry officer and inspite of proving that he was no guilty, the management imposed the punishment against the workman, without any basis and imposition of such punishment was illegal, unconstitutional and against the principles of natural justice and though according to the Certified Standing Orders, 8 types of punishments have been prescribed, the severe most

punishment has been imposed against the workman, which is illegal and as such, it is necessary to set aside the order of punishment and to reinstate the workman in service.

However, at the cost of repetition, it is to be mentioned here that the departmental enquiry conducted against the workman has already been held to be legal, proper and accordance with the principles of natural justice. Hence, there is no scope to consider the submission made by the union representative again in that regard.

6. On the other hand, it was submitted by the management representative that at no stage, the union has challenged about the perversity of the findings of the Enquiry Officer or the quantum of punishment and on that ground alone, the findings of the Enquiry Officer can be held to be not perverse and otherwise also, the Enquiry Officer has based his findings on the evidence adduced in the enquiry and his report is not contrary to the evidence on record and as such, the findings are not perverse. It was further submitted that commission of grave misconduct by the workman has been proved in a properly held departmental enquiry and the punishment imposed against the workman cannot be said to be shockingly disproportionate and therefore, there is no scope to interfere with the punishment.

In support of such contentions, reliance has been placed on the decisions reported in AIR 1970 SC-1334 (M/s Perry & Co. Ltd. Vs. the Labour Court), 1996 LAB IC-467 (SC) (B.C. Chaturvedi Vs. Union of India), 2003 LAB IC-757 (SC) (Regional Manager, UPSRTC, Etawah Vs. Hotilal), 2005 LAB IC-4158 (SC) (V. Ramina Vs. APSRTC) and 2005 LAB IC- 854 (SC) (Bharat Forge Co. Ltd. Vs. Uttam Manohar).

So, keeping in view the principles enunciated by the Hon'ble Apex Court in the decisions mentioned above, the present case in hand is to be considered.

7. Perused the record. Admittedly, there is no challenge in the statement of claim or at any stage of this case regarding the perversity or otherwise of the findings of the Enquiry Officer or regarding the proportionality of the punishment by the union. Moreover, from the materials on record, it is found that the Enquiry Officer has given his findings on the basis of evidence adduced in the departmental enquiry. He has not taken any extraneous material for consideration to reach at the findings. The Enquiry Officer has assigned cogent reasons in support of his findings, after analyzing the evidence on record in a rational manner. This is not a case of no evidence or that the findings of the Enquiry Officer are against the evidence on record. Hence, the findings of the Enquiry Officer cannot be said to be perverse.

8. So far the proportionality of the punishment is concerned, grave misconduct of remaining unauthorized absence for more than 10 days has been proved against the workman in a properly conducted departmental enquiry against him. The punishment imposed against the

workman cannot be said to be shockingly disproportionate to the proved misconduct against him. Taking into consideration the facts and circumstances of the case and applying the principles enunciated by the Hon'ble Apex Court in the decisions mentioned above to the present case in hand, it is found that there is no scope to interfere with the punishment imposed against the workman. Hence, it is ordered:

ORDER

The action of the management of M/s. WCL in dismissing Shri Patiram from services w.e.f. 24-12-2005 is legal and justified. The workman is not entitled to any relief.

AWARD

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their order No. L-20012/210/04-IR (C-I), dated 12-1-2006

SCHEDULE

"Whether the demand of the Bihar Mines Lal Jhanda Mazdoor Union from the management of BCCL, EJ Area that Sh. A. K. Chatterjee be granted upgradation to grade T & S 'A-I' w.e.f 1-1-2000 in terms of the provisions of I.I.32 under NCWA-VI is justified? If so to what relief is the workman entitled?"

2. The case of the sponsoring union is that workman A. K. Chatterji is presently engaged on the post of the Chief Draftsman in the scale of T & S Grade 'A' in the BCCL, Eastern Jharia Area. He possesses the I. I. T. Certificate of the Draftsman. He had got promotion (SLU) from Grade B to A, as he remained engaged with his service since 1993. He has completed his service in the same grade A for six years on 31-12-1999 more than three years as recommended under para 2 of the Instruction Implementation (I.I.) Order No. 32 of the J.B.C.I. National Coal Salary Settlement 6, according to which the I.T.T. Certificate holder employee completing 3 years service in a Grade on 31-12-1999 stands eligible for further upper gradation in T & S Grade A with financial benefits w.e.f 1-1-2001. But despite his letter on 27-3-2002, later on many ones including review one dt. 28-2-2003 to the Chief Personnel Manager for his claim, it was unconsidered and rejected in violation of the aforesaid settlement informing him as per Management's letter No. GMPER/EJ/2003/1070 dt. 7/8-2-2003 that he was promoted to the post of the Chief Draftsman in Grade A on 11-4-2000, only after waiving it in written, he would get benefits under the said I.I.no. 32. The workman is entitled to it.

The Union in its rejoinder categorically denied all the allegations of the management.

3. The contra pleaded case of the Management with specific denials is that the present Industrial dispute is unmaintainable, as the Union raising the Industrial dispute is unrecognised one having no locus standi to raise an Industrial dispute. Workman A. K. Chatterji is I.T.I. (Mechanical Certificate Holder. He works at Survey Department where there is no need of mechanical personnel.

He was upgraded from T & S Grade B to A on 25-8-1993, and again another S.L.U. (the post of Chief Draftsman with monetary benefits) on 11-4-2000, of which all benefits he enjoyed satisfactorily without an objection until on 27-3-2000 as per the I.I.No. 32 of NCWA VI. On sympathetically and liberal consideration of the workman by the Management, he was instructed to forgo in writing his aforesaid already promotion in order to avoidable the benefits under the I.I., so his demand for it in lack of his written waive of earlier promotion was not acceptable. Moreover the I.I.No. 32 came into the force w.e.f. 11-4-2002 as a special one time package for the I.T.I. personnel. He can not claim for two benefits simultaneously. Hence, the claim of the workman for it was unjustified.

FINDING WITH REASONING

4. In this case, WWI Ashish Kumar (A. K.) Chatterjee the workman for the Union examined and cross examined but despite ample opportunity, not a single witness examined for the management.

Sri S. Sinha, the Learned Advocate for the management submits that workman A.K. Chatterjee serving as a Draftsman in the department of Survey was given S.L.U./upgraded to the post of Technical Grade A as a Sr. Draftsman from Grade B as per the office order dt. 25-8-93 (Ext. W.3). and he was promoted to the post of the Chief Draftsman Grade A as per the office order dt. 6-7-2000 (Ext.W4), enjoying the benefits upto 27-3-2002, when I.I.No.32 (Ext.W. 5) came into force, and that the N.C.W.A. provides for no double benefits, so he is alleged not entitled to it as per the management's letter dt. 7/8-2-03 (Ext.W. 9). Whereas emphatic contention of Sri S. N. Goswami the Learned Counsel for the Union/workman is that since the workman has completed six years more than three years in the same grade as per the aforesaid circular, he is entitled to get next grade of T & S Grade A I as demanded by the Union concerned.

On the pursal and consideration of relevant oral and documentary evidence of the workman (WWI), it is found the indisputable fact that the workman was already promoted to the post of Chief Draftsman Grade A as per the Management's office order dt. 6-7-2000 prior to the 22nd day of Jan., 2002 when the aforesaid I.I. No. 32 of NCWA VI came into force but with retrospective effect w.e.f. 1-1-2000. This circular under para (2) reads as such :

"Existing I.T.I. Personnel who have completed three years in the existing grade as on 31-12-1999 will be notionally placed in the next higher category/grade w.e.f. 1-1-2000 but the financial benefit will accrue w.e.f. 1-1-2001 and this will be personal to them as one time arrangement."

5. In view of unrebutted statement of the workman he was given S.L.U. to the post of Tech. Supervisor Gr. A as Sr. Draftsman as per the office order of the Management dt.25-8-1993 (Ext. W. 3), and was promoted to the post of

Chief Draftsman Gr. A as per the Management's office order dt. 6-7-2000 (Ext. W. 4) which was much later than his remaining in the same grade A of Tech. Supervisor for six years as on 31-12-1999 with S.L.U. only, as contrasted with his notional place in next higher category/grade w.e.f. 1-1-2000 as provided by the circular. At this point the submission of Mr. S. Sinha, the Learned Advocate of the Management, appears to be untenable as misconstrued. The aforesaid circular under its para (2) in its spirit undoubtedly holds good with the case of the workman.

It is therefore awarded that the demand of the Bihar Mines Lal Jhanda Mazdoor Union from the Management of BCCL that A.K. Chatterjee be granted to Grade T & S 'A' I w.e.f. 1-1-2000 in the terms of the provisions of I.I.No.32 of N.C.W.A. VI is quite justified. Therefore, the workman is hereby held to be entitled to his placement in A-I and accordingly his financial benefit to be accrued w.e.f. 1-1-2001 subtracting already drawn.

The management is directed to implement the award within one month from the date of its receipt after its publication in the Gazette of India.

The Govt. of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/6/2007-IR (CM-I), dated, the 17th August, 2007.

SCHEDULE

" Whether the action of the Management of Bhowra (N) DG Mines of M/s BCCL in denying wage protection on regularization from PR to TR to S/Shri Sambhu Yadav, Ganesh Kr. Sahish, Bhutnath Singh, Prem Kumar Singh Birbal Majhi, is justified and legal? If not, to what relief are the concerned workmen entitled and from which date ?"

2. None represented either workmen or their sponsoring union. None also appeared on the behalf of the management. Perused the case record. I find that the case has been pending for WS-cum-Rejoinder of the management since 30-08-2008, for which Registered notices dated 8-11-2010, 16-11-2011 & 18-01-2012 and Show Cause notice dated 29-06-2011 were issued to the respective parties through the union viz. The Vice President, Janta Mazdoor Sangh, At Vihar Building, Jharia, Dhanbad and The General Manager, E. J. Area Bhowra of M/s. BCCL, Bhowra, Dhanbad. It appears that in spite of giving sufficient opportunity both the parties even then the union representative/workman never appeared to pursue the case on account of their disinterestedness.

In view of the aforesaid facts, proceeding with the case for uncertainty is worthless and wastage of time. Therefore, the case is closed and accordingly an order of no industrial dispute existent is passed.

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10 (1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/250/2009-IR (C-I), dated 10-3-2003.

SCHEDULE

"Whether the demand of the union from the management of BCCL, Sijua Area to provide employment to Sri Nandal Rajwar as dependent son-in-law of Late Sitaram Rajwar is proper and justified? If so to what relief is the said dependent entitled?"

2. None representation on behalf of the Sponsoring Union/workman nor any workman witness was produced despite the issuance of successive four Regd. Notices dt. 21-4-03, 24-12-2007, 9-11-2010 and 16-11-2011 respectively and one Show Cause Notice dt. 22-9-2011 to the address of the Union noted in the Reference Mr. D. K. Verma, Ld. Advocate for the Management is present.

Perusal of the case records reveals that it has been pending for evidence of the workman since 20-3-2006. Despite providing sufficient opportunity, the Union/workman did not make any appearance for getting the evidence examined. This also shows unwillingness on the part of the Sponsoring Union to contest the case at all. So

the Tribunal does not find any reason to let it continue for the indefinite period. Under the circumstances the case be closed and accordingly, no dispute order is passed as non-existent of any Industrial issue related to providing employment to the dependant son-in-law of the deceased workman.

The conduct of the workman/union clearly shows that they are not interested to proceed with hearing of this case henceforth. It also appears from the record that two registered notices dt. 5-11-2010 and 2-11-2011 and one Regd. Show Cause Notice dt. 20-11-2011 have already been sent to the union on its address as noted in the Reference but neither the workman nor the union Representative filed Written Statement inspite of giving ample opportunity.

In view of above facts and circumstances, there is no scope to drag this case further for dates together for filling written statement. Accordingly, the case is closed, presuming non-existence of any dispute between the Parties. Hence No dispute Order is passed.

Dated, Dhanbad, the 26th April, 2012

AWARD

The Government of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1) (d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/418/94- IR (Coal-I) dated 10-10-1995.

SCHEDULE

“Whether the action of the management of Salanpur Colliery under Katras Area of M/s. BCCL, in dismissing Shri Naki Khan, Ex-Security Guard w.e.f. 3-5-93 is justified? If not, to what relief Shri Khan is entitled?”

2. The case of workman Naki Khan as sponsored by the Union concerned is that he was a permanent employee as Night Guard of Salanpur Colliery under Katras Area since his employment under the Central of Security Department of M/s. BCCL. A chargesheet dtd. 17-3-1993 was issued to him by the Project Officer of the Colliery who was not an appropriate authority for it. He submitted his reply to it denying the allegation of it. The Management arranged a show of enquiry contrary to laws and natural justice and dismissed as per its letter dtd. 30-4-/3-5-1993. The Security Department did not investigate into the matter of the charges during the chargesheet and dismissal of the workman. He was not given an opportunity to show cause against the order of dismissal. The action of the management was illegal and unjustified. He is entitled to reinstatement in his service with full back wages etc.

Categorically denying the allegations of the Management, the pleading of the union for the workman in its rejoinder is that on submitting of an explanation to the chargesheet, the management firstly did not hold a preliminary enquiry, rather statway set up a department enquiry which was conducted by the Senior Personnel Officer, at whose report, he was dismissed. The Management did not offer his any chance to appeal before the Higher Authority, resulting in serious prejudice to his interest.

3. Challenging the maintainability of the case the contra pleaded case of the Management with specific denials is that workman Naki Khan, the Security Guard of the Colliery, was chargesheet for the theft of two batteries during his duty hours on 16-3-93 under the clause 26-1-2 and 26-1-11 of the Certified Standing order. After finding his reply to it unsatisfactory, it was decided to hold an inquiry into the charge by Sri S.P.N. Singh, the then Senior Personnel Officer, as the Enquiry Officer. The enquiry, in course of which the workman was given full opportunity for his evidence and cross examination of the Management's witnesses was as per the rules of natural justice. On the finding of the Enquiry Officer the charges as proved against the workman, he (workman) was dismissed from the service of the Company as per the Letter No. SP/PD/93/1375 dtd.30-4/3-5-1993. So the action of the management in dismissing the workman in view of seriousness of the offence was fully justified.

4. The further plea of the Management in its rejoinder is that the chargesheet and dismissal order was issued by the appropriate authority. The workman in course of the enquiry did not raise any objection concerning its procedure. In case of holding the enquiry as unfair and improper, the Employers would be allowed to establish it.

FINDING WITH REASONING

5. At the very outset, it is pertinent to mention that consequent upon setting aside the previous Award dtd. 8th June, 1999 whereby declaring the action of the management concerned for the dismissal of the workman was held quite justified in the present case as per the order dtd. 18-7-2001 of the Hon'ble High Court of Jharkhand, Ranchi, passed in C.W.J.C. No. 3639/1999 (R) with the observation:

"The said Naki Khan (workman) may point out the defect, if any, in the enquiry report and file an objection before the Project Officer, Salanpur Colliery of M/s. BCCL, Katras Area, Dhanbad, by 31st Aug. 2001. The said Authority in its turn will take into consideration the objection, as may be preferred by the workman and pass appropriate order by 30th Sept. 2001 it will be open to the competent authority to recall the order of dismissal, it satisfied with the objection, if any, place by the workman."

On the other hand, if the objection is rejected by a reasoned order, it will be communicated to the workman as also the Presiding Officer, Central Govt. Industrial Tribunal (CGIT) No. 2, Dhanbad. In such case, the learned Presiding Officer, the CGIT No. 2, Dhanbad will re-open the Reference Case No. 132/95 and after notice to the parties will decide the case on merit and may appreciate the matter under Section 11(A) of the I.D. Act.

"It is expected that the total formalities will be completed on an early date, preferably within six months."

But unfortunately, the petitioner workman admittedly failed to file his any objection before the authority concerned at any time, it rendered the aforesaid direction of the Hon'ble High Court inexecutable by this Tribunal in reopening the case having no scope for its re-opening for afresh decision as evident from the order dtd. 3-5-2005 of the Tribunal. Later on as per order dtd. 21-10-2005 of the Tribunal instructing the parties at liberty to get further direction of the Hon'ble High Court in respect of future course of action in the case. At last at the W.P. (L) No. 5729/2006 of workman Naki Khan, the Hon'ble High Court of Jharkhand, Ranchi was pleased to dispose of his writ petition, observing as under :

"Considering the aforesaid facts and circumstances, this writ application is disposed of directing the Tribunal to pass final award on the basis of material available on record or after affording the parties opportunity to adduce further evidence, as the case may be. As earlier Award had been set aside by order dtd. 18th July, 2001 passed in C.W.J.C. No. 3639/2001, Learned Tribunal shall treat the case as simple remission of the matter for fresh decision/award."

6. In this reference very earlier on conceding by the Union Representative for the workman to the fairness of the Domestic Enquiry, the Tribunal as per its order dtd. 20-7-1998 held the enquiry as fair and proper, accordingly the produced documents of the Enquiry proceeding were marked as Ext. M.1 to M.9 for the Management for perusal, and thereafter it came for hearing argument on merit.

But after giving both parties opportunity for evidence for final award as result of the remission of the case the workman Naki Khan as WW 1 was examined, cross examined and discharged on 28-3-2008, and the further evidence of the workman was closed on 1-8-2011 but despite ample opportunity, since the management declined to adduce its evidence, so its evidence was closed on 10-1-2012, resulting in its coming up for hearing arguments on merit. Mr. C. Prasad, Ld. Advocate for the sponsoring union/workman submits that the Enquiry was vague for vague charges, it was quite unfair and despite charges unproved, the workman punished with the punishment of his dismissal which was disproportionate to the charge of alleged theft. The evidence of the workman is that not any show cause was given to him before his dismissal. But the contention of Mr. Prasad, the Learned Advocate for the workman about fairness of the Enquiry in the face of the acceptance of the enquiry as fair and proper is untenable. Likewise, the evidence of the workman about not giving him second Show Cause is inadmissible, because despite ample opportunity, he failed to represent or point out any defect in the Enquiry Report so as to be considered by the

Management in setting aside his dismissal as per the Order dtd. 18-7-2001 of the aforesaid Hon'ble High Court in C.W.J.C. No. 3639 (R). So there is no prejudice to the workman whereas Mr. D.K. Verma, Learned Advocate for the Management has to contend that the dismissal of the workman was quite justified in view of the gravity of his misconduct.

7. On appreciation of the materials/the entire domestic enquiry proceeding (Ext. M.1 to M.9) including the statement of Management's witnesses and of the workman under Section 11A of the I.D. Act, 1947, I find that the workman failed to firmly account for his liability while on his duty of guarding the L.M.P. on the south side of Salanpur O.C.P. Project in his third shift from 10 P.M. to 4.00 A.M. on 16-3-1993 but admittedly he did not report of the theft of the two batteries of L.M.P. during his duty hours, if he was solely responsible for the theft of both the batteries due to his dereliction/negligence in his duty, amounting to grave misconduct under clause 26.1.2. of the Certified Standing Order for which his punishment of his dismissal for the service of the company based on the Enquiry Report (Ext. M.7) as per the Project Officer's Letter dtd. 30-4/3-5-1993 (Ext. M.9) was correct.

In result, it is held that the action of the management of Salanpur Colliery under Katras Area of M/s. BCCL in dismissing Shri Naki Khan, Ex. Security Guard w.e.f. 3-5-1993 is quite justified. So he is not entitled to any relief.

AWARD

The Government of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act., 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. 1-20012/552/2000 (C-I) dated 29-3-2001.

SCHEDULE -

"Whether the action of the management of Godhur Colliery of M/s. BCCL in denying employment to dependent Smt. Fatima Bibi wife of Late Khalil Mia, Ex-M/Loader of Godhur Colliery under the provisions of NCWA-V is fair and justified. If not, to what relief is the said dependant of Late Khalil Mia entitled?"

Neither Mr. C. Prasad, the Learned Advocate for the Union/workman Late Khalil Mia's wife/petitioner Smt. Fatima Bibi appeared nor any witness for the evidence of the petitioner produced. But Mr. S.N. Ghosh, the Learned Advocate for the management is present.

After going through the case record, I find that the case has been pending for the evidence of petitioner (workman's wife) since 16-3-2005, for which several registered notices dtd. 14-3-2008, 21-10-2010, 6-7-2011 and 28-10-2011 (the last letter returned as "no trace") were issued to the Secretary, to the Bihar Mines Lal Jhanda Mazdoor Union on its address noted in the Reference specifically, but even then not a single witness for the evidence of the petitioner Smt. Fatima Bibi wife of Late Khalil Mia, Ex M/Loader of Godhur Colliery has been produced. The conduct of the sponsoring union and the petitioner clearly indicates that they are not willing to pursue the case for its proper adjudication. This is the oldest case of the year 2001. Under these circumstances, proceedings with the case for infinity would be mere wastage of time and energy of the Tribunal for nothing. Hence, the case is closed and accordingly an award of no industrial dispute existent is passed.

AWARD

The Government of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1) (d) of the I.D. Act., 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/365/2000 (C-I) dated 12-1-2001.

SCHEDULE

“Whether the demand of the union to regularise Sri Deepak Paswan, in the Clerical Cadre is proper and justified? If so, to what relief is the concerned workman entitled and from what date?”.

2. Mr. N.G. Arun, the Union Representative for the workman is not present. Mr. D.K. Verma, the Learned Advocate for the management is present, though no Management's witness is present nor workman Deepak

Paswan. From perusal of the case record, it clearly transpires that previously due to the failure of the sponsoring union concerned to examine any witness without assigning any reason, the evidence of the workman was closed on 29-3-2006, fixing the next date for the evidence of the management, providing the next date as last chance, but even then not a single witness was examined on behalf of the workman even on 7-6-2006. Since thereafter, it came up for the evidence of the management, which as I think would not in any way help in its proper adjudication, because of the fact that in the present case related to the regularisation of the workman Deepak Paswan in the Clerical Grade, onus of proof lies upon the sponsoring union raising the industrial dispute for him. This is the oldest case of the year 2001. Under these circumstance, proceeding with the present case in lack of the interest of the sponsoring union/workman for infinite period is useless. Hence, the management also declined to produce any witness on behalf of the management. Therefore, the case is closed and accordingly an order of no industrial dispute existent is passed.

By Order No. L- 20012/634/97-IR (Coal-I) dated 27-4-1998 the Central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of

sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

SCHEDULE

“Whether the action of the management of Bhowra Area of M/s. BCCL in dismissing Shri H.N. Singh, Ex-O.S. w.e.f. 28-3-1996 from the services of the company is justified? If not, to what relief is the workman entitled?”

2. The case of the concerned workman is that he was working as Office Superintendent in the Estate Department, Bhowra Area at Bhowra office under M/s. BCCL. He was issued charge-sheet dated 5/7-4-90 for the charges mentioned in the said chargesheet. He submitted his explanation on 10-4-90 denying the charges emphatically. The management conducted a departmental enquiry relating to the said charges ignoring the principles of natural justice. The management did not supply a copy of the enquiry report to the concerned workman and dismissed him w.e.f. 3-7-93. He preferred a writ petition being CWJC No. 1997 of 1993 (R) before Hon'ble High Court Ranchi bench, Ranchi and the Hon'ble set aside the dismissal order. Later on the said management dismissed him w.e.f. 28-3-96 on the basis of above referred enquiry proceedings and enquiry report etc. The dismissal of the concerned workman is unjustified and he is entitled to be reinstated with full back wages.

It has been prayed that the Hon'ble Tribunal be pleased to answer the reference in favour of the concerned workman by directing the management to reinstate him with full back wages and consequential benefits.

3. The case of the management is that the concerned workman was working as Office Superintendent Estate Department at Bhowra Area of M/s. BCCL was charge-sheeted vide order dated 5/7-4-90 for fraud and dishonesty in connection with the employer's business and property as to favoured some persons, namely, Dilip Mahato and Ganesh Mahato, ward of Sri Joyti Mahato and Nimal Mahato respectively against Khata No. 65 against 1.42½ Acres of land which is less than 2 (two) Acres of land percapita and as such they were not entitled to get the employment as per norms of the company, was issued to him. The concerned workman submitted his reply which was not found satisfactory by the management and accordingly an enquiry officer was appointed to conduct the enquiry against the concerned workman. After holding domestic enquiry the Enquiry Officer submitted his report holding the concerned workman guilty of the charge levelled against him and on the basis of the report of the Enquiry Officer, the concerned workman was dismissed by the competent authority from service w.e.f. 2-7-94. The concerned workman preferred a writ before the Hon'ble High Court, Ranchi Bench, Ranchi in 1993. After hearing Hon'ble High Court was pleased to set aside the same and sent back to the disciplinary authority with

direction thereto, accordingly after observing the formalities as enunciated he was dismissed from service w.e.f. 28-3-96 vide order dated 28-3-96. The action of the management in dismissing the service of the concerned workman is justified.

Accordingly, it has been prayed that the Hon'ble Tribunal be pleased to pass an award by rejecting the claim of the union.

4. The management produced MW-1, Bhagwan Prasad and MW-2, S.A. R. Bizvi and proved documents as Exts. M-1 to M-15. The concerned workman examined himself as WW-1.

5. In the meantime concerned workman died on 11-3-2010 and his son, Satendra Kumar Singh, filed petition for substituting him in the case as he is the only son and legal heir in his family. His mother already died on 19-7-2000 as per death certificate. The substitution petition was allowed.

6. The domestic enquiry was held to be fair and proper by order dated 4-2-2010. Thereafter the case was heard on merit.

7. The argument advanced on behalf of the concerned workman is that he was Office Superintendent Estate Department at Bhowra Area. He was clerk, so he is not responsible for showing excess of land. The charge-sheet has been issued for doing this work for fraud and dishonesty in connection with the company's business and property as to favoured Dilip Mahato and Ganesh Mahato ward of Joyti Mahato and Nirmal Mahato respectively against Khata No. 65 against 1.42½ Acres of land which is less than 2 Acres per capita as per norms of the company.

This shows that the concerned workman has done fraud with the business of the company for which proper enquiry was conducted and after enquiry he was found guilty and the enquiry was found fair and proper.

8. Considering the above facts and circumstances I hold that the action of the management of Bhowra Area of M/s. BCCL in dismissing Shri H. N. Singh, Ex.- O.S. w.e.f. 28-3-96 from the services of the company is justified and the concerned workman is not entitled to any relief.

This is my award.

AWARD

By Order No. L-20012/633/92-IR (C-1) dated 14-8-1998 the Central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

"Whether the action of the management of Sendra Bansjora Colliery of M/s. BCCL, in not regularising the services of S/Shri Arjun Pandit and 15 others (as per details given in the Affidavit No. 53 dated 14-6-95 sworn by Sri Arjun Pandit and in the inspection report dated 30-6-95 of Sr. P.O. Sri Amit Bhushan, Sendra Bansjora Colliery) who are engaged for the supply of domestic coal to the staff of the Sendra Bansjora Colliery from 1981 till date is legal & justified? If not, to what relief the workman is entitled?"

2. The case of the concerned workman is that they had been working as Mazdoor for supply of domestic coal to the staff of Sendra Bansjora Colliery from 1981 under the Dangal Head Shri Arjun Pandit. The work of fuel coal supply in different quarters of employees of the Sendra Bansjora colliery by the concerned workman is of

permanent nature. They were performing the jobs under the supervision of the management. All the workman have put more than 240 days attendance in every year. They represented before the management for their regularisation but without any effect. Thereafter an industrial dispute was raised before the ALC(C) which ended in failure and the Ministry of Labour, Govt. of India, has referred the dispute for adjudication to this Tribunal.

It has been prayed that the Hon'ble be pleased to pass an award holding that the action of the management of M/s. BCCL in not regularising the service of S/Sri Arjun Pandit and 15 other from 1981 till date is illegal and justified and the concerned workmen are entitled to be regularised from the date of their doing the said job.

3. The case of the management is that one Arjun Pandit was awarded contract of supplying domestic coal in 1981 to some employees and officers of the colliery. For performing the contract work, Arjun Pandit was paid on the basis of the actual work done per bullockcart/thela and ricksaw load at the prescribed rate of the company. The sponsoring union raised an industrial dispute with the management and demanded regularisation of domestic coal supplier of the Sendra Bansjora colliery. The management had never engaged the aforesaid persons for supply of domestic coal to the company's employee and hence there is no employer-employee relationship between them. The demand of the union that Arjun Pandit and others were doing the perennial nature of job, such as, loading and unloading of coal is baseless, meritless, improper and unjustified. As a matter of fact, Arjun Pandit, the contractor had been supplying domestic coal to some employees of the company. In such circumstances it has been submitted that the action of the management of Sendra Bansjora Colliery of M/s. BCCL in not regularising the services of S/Sri Arjun Pandit and 15 others in the company from 1981 in legal, proper and justified and the aforesaid persons are not entitled to any relief.

In view of such submission it has been prayed that the Tribunal be pleased to pass an award holding that the action of the management is justified and the concerned persons are not entitled to any relief.

4. Both the parties have filed their respective rejoinders admitting and denying the contents of some of the paragraphs of each other's written statement.

5. The management produced MW-1, Amit Bhusan, MW-2, Kalyan Kumar Choudhary and MW-3, K.K. Brahmachari and proved documents as Exts. M-1, to M-3.

On behalf of the workmen WW-1, Arjun Pandit, has been examined and documents have been proved as Exts. W-1 to W-11.

6. Main argument advanced on behalf of the workmen that they had been working in Sendra Bansjora Colliery sine 1981 relating to the job of transportation of domestic coal to the employees of B.C.C.L. which is

permanent nature of job, but since 12-3-1998 they have been stopped from the work by the management. For carrying out their job they used to cover a distance of about 3 K.M. In this respect they have filed Ext. W-1 attendance register and order placed by the management, Exts. W-2 to W-2/11, for supply of coal.

7. The management's representative argued that the concerned persons are workers of the contractor for supply of coal to the staff and officers of the company for which order is placed. They are not the employees of the management and for this payment is made through voucher.

8. In this respect WW-1, Arjun Pandit in his cross-examination at page 2 stated that we had received the order from the management for the supply of coal. We used to get the payment from the management through vouchers.

It shows that they are never workers of the management and they never worked under the management. There is no relationship of master and servant with the management and the concerned persons.

9. Considering the above facts and circumstances I hold that the action of the management of Sendra Bansjora Colliery of M/S. BCCL in not regularising the services of S/Sri Arjun Pandit and 15 others, who are engaged for the supply of domestic coal to the staff of the Sendra Bansjora Colliery from 1981 till date is legal and justified. Hence, the concerned persons are not entitled to any relief.

This is my Award.

AWARD

The Central Government, Ministry of Labour and employment vide its Order No. L-11012/29/2009-IR (CM-I) dated 19-6-2009 referred the following Industrial Dispute to this Tribunal for adjudication.

The schedule mentioned in that order is :

"Whether the demand of Sri P. Udaya Kumar for his absorption in Jet Lite by the Management of Jet Airways with reference to the Share Purchase Agreement of dated 1-4-2007 entered by the Management of Jet Airways (India) Ltd., Sahara India

Commercial Corporation Ltd. and others and Sahara Airlines Ltd. is justified and legal? (ii) To what relief is the workman concerned entitled?"

2. After the receipt of Industrial Dispute, this Tribunal has numbered it as ID 61/2009 and issued notices to both sides. Petitioner appeared in person. 1st and 3rd Respondent by lawyer and 2nd Respondent by Authorized Representative. Petitioner filed Claim Statement. 2nd and 3rd Respondent filed Counter Statement. 1st Respondent did not file Counter Statement.

3. Pointst for consideration are :

(i) Whether the demand of Sri P. Udaya Kumar for his absorption in Jet Lite by the Management of Jet Airways is justified and legal?

(ii) To what relief the concerned workman is entitled?

Points (i) & (ii)

4. After entering appearance by both sides the matter stood posted for further proceeding, the matter stood stayed by the Hon'ble High Court of Madras for sometime. Even after the vacating of stay by the Hon'ble High Court petitioner ceased to be present or represented for quite a long time and thereafter till 25-4-2012 to which the case was adjourned for his appearance as a last chance but that day also he did not turn up. Needless to say no evidence has been adduced to prove his demand for absorption as prayed for in his Claim Statement but which was requested to be rejected by the Respondents in their Counter Statements. Here the claim not being conceded to by the Respondents and the petitioner having not proved his entitlement, the demand is only to be held as not justified and legal and that the petitioner is not entitled to any relief. So ordered.

5. The reference is answered accordingly.

AWARD

(Dated : 28th May, 2012)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the Industrial dispute between the employers, in relation to the management of WCL and their workman Shri Satish Kumar, for adjudication, as per letter No. L-22012-3-2005-IR (CM-II) dated 27-10-2005, with the following schedule :—

"Whether the action of the management of Mathani Colliery of Western Coalfields Limited, Pench Area in terminating Sh. Satish Kumar, General Mazdoor from services is legal and justified? If not, to what relief the concerned workman is entitled?"

2. On receipt of the reference, parties were noticed to file their respective statement of claim and written statement, in response to which, the workman Shri Satish Kumar, ("the workman" in short) through his union, the SKMS (AITUC) ("the union" in short) filed the statement of claim and the management of WCL Pench Area ("party no. 1" in short) filed the written statement.

3. The case of the workman is that, while he was working as general mazdoor in Mathani colliery, a charge

sheet dated 29-3-1998 was issued against him by the party no. 1, but he did not receive the copy of the charge sheet and as such, there was no question of his submitting any explanation to the said charge sheet and there was no necessity of initiation of the departmental enquiry, because as he had remained absent without intimation, party no. 1, after issuance of a warning letter, dated 9-2-1998 allowed him to join his duties, which clearly shows that party no. 1 was satisfied with his clarification and for that he was allowed to join his duties and without giving him a copy of the charge sheet, the party no. 1 forced him to attend the departmental enquiry and due to such compulsion, he attended the departmental enquiry and he intimated the enquiry officer about the non-receipt of the charge sheet but the enquiry officer did not supply a copy of charge sheet and proceeded with the enquiry and as such, the enquiry is illegal. The workman has prayed for his reinstatement in service with continuity and full back wages.

4. The party no. 1 in its written statement has pleaded inter-alia that the workman was appointed on 28-1-96 as a general mazdoor, in place of Smt. Bhawati, Ex-Wagon loader and according to the terms of the appointment, the workman was required to put in at least 80% of the attendance besides other conditions and in the year of appointment, i.e. in 1996, he worked for 133 days, which was less than the stipulated condition and in 1997, his attendance was very poor due to his unauthorized absence and from July 1997 to December 1997, his attendance was nil and his attendance in other months was also very poor and the details were spelt out in the charge sheet and due to the unauthorized absence of the workman, he was charge sheeted vide charge sheet no. 98/272 dated 29-8-1998 and he was asked to submit his written explanation and he received the charge sheet, but did not file any explanation and as such, order was passed for initiation of the departmental enquiry against him and the workman was intimated about the appointment of the enquiry officer vide letter dated 21-1-1988, in which the charge sheet number and date thereof were specifically mentioned and the workman received the said letter and the enquiry officer fixed the enquiry to 11-10-1998, vide his letter dated 6-10-1998 and in that letter also, the charge sheet number was mentioned and the workman received the said letter and on 11-10-1998, the workman submitted an application before the enquiry officer for adjournment of the enquiry, on the ground of absence of his co-worker and in that application, the workman had mentioned the charge sheet number and he did not mention about non-receipt of the charge sheet and the enquiry officer adjourned the proceeding to 14-10-1998 and on 14-10-1998, the workman appeared before the enquiry officer along with his co-worker and filed an application for allowing Shri Phoolchand Navik as his co-worker and the application was allowed and before the enquiry officer, the workman told about the non-receipt of the copy of the charge sheet

by him and when the enquiry officer read over the charge sheet and asked him as to whether he admitted the same or not, the workman denied the charges and he did not demand the copy of the charge sheet from the enquiry officer and from the said facts, it was obvious that he had fully understood the charges and not feel handicapped due to the same and then the enquiry was adjourned to 16-10-1998, which was noted by the parties and on 16-10-1998, the workman and his co-worker did not appear and the enquiry was adjourned to 28-11-1998 and the date of adjournment was intimated to the workman vide letter no. 98/1248 dated 23/24-11-1998, by Registered Post, in the address recorded in Form 'B' Register and on 28-11-1998, neither the workman nor his co-worker appeared before the enquiry officer and as such the enquiry officer proceeded with the enquiry ex-parte against the workman and on that day, the management representative filed documents and examined some witnesses in support of the charges and thereafter, the enquiry was closed by the enquiry officer and the enquiry officer submitted his report to the Disciplinary Authority, holding the workman guilty of the charges and while writing the report, he summed up the proceedings and analyzed the evidence in an objective manner and there is no perversity in the report and the Disciplinary Authority went through the enquiry report carefully and after being satisfied that the enquiry had been done in a fair and proper manner, terminated the services of the workman and before the termination of the service of the workman, he was supplied with a copy of the enquiry report vide letter no. 98/928 dated 28-12-1998 and he was asked to offer his comments on the same within 15 days of the receipt of the same and in the said communication, the proposed punishment was also mentioned and though the workman received the said letter, he did not submit any reply or comments and under the said circumstances and considering the serious nature of the misconduct, the services of the workman were terminated vide letter no. 98/051 dated 19-1-1999 of the Sub Area Manager with the approval of the Competent Authority and the workman did not file any appeal against the punishment imposed against him and the enquiry held against the workman was just, fair and proper and the punishment imposed against him also justified and proportionate to the charges.

It is also pleaded by the party no. 1 that the workman had received the copy of the charge sheet and no inference can be drawn from the fact that as he was allowed on duty, the same amounted to condonation of misconduct and on receipt of the letter of enquiry, the workman did not represent about the non-receipt of the charge sheet by him and he also did not demand a copy of the charge sheet and as such, the said submission is an afterthought and the workman while seeking adjournment from the enquiry officer had referred to the charge sheet no. 272 and as such, the pretext that no charge sheet was received by him is not correct and the workman was asked to appear

in the enquiry in his own interest and the workman had never expressed before the enquiry officer about his being coerced to attend the enquiry, but on the contrary, the enquiry was adjourned on the application of the workman and as such, the allegations made in paragraph seven of the statement of claim are incorrect and untenable and the enquiry officer read over the charges to the workman and the workman did not demand a copy of the charge sheet from the enquiry officer or the colliery manager, even though he had told that he did not receive the same and therefore, the workman is not entitled for any relief.

5. As this is a case of termination of the services of the workman, after holding of a departmental enquiry, the validity of the departmental enquiry was taken up as a preliminary issue for consideration and as per order dated 17-8-2011, the departmental enquiry conducted against the workman was held to be proper, legal and in accordance with the principles of natural justice.

6. At the time of argument, it was submitted by the union representative that the workman was attending the departmental enquiry and due to some reason, he could not be able to attend the enquiry on 16-10-1998, to which date the enquiry was fixed and the Enquiry Officer in violation of the principles of natural justice, proceeded with the enquiry ex-parte against the workman and from the documents produced by the management representative, it can be found that the workman was regularly attending his duties and he was not a habitual absentee and as such, the entire proceeding is illegal.

However, at the cost of repetition it is to be mentioned here that the departmental enquiry conducted against the workman has, already been held to be legal, proper and accordance with the principles of natural justice. Hence, there is no scope to consider the submission made by the union representative again in that regard.

7. On the other hand, it was submitted by the management representative that at no stage, the union has challenged about the perversity of the findings of the Enquiry Officer or the quantum of punishment and on that ground alone, the findings of the Enquiry Officer can be held to be not perverse and otherwise also, the Enquiry Officer has based his findings on the evidence adduced in the enquiry and his report is not contrary to the evidence on record and as such, the findings are not perverse. It was further submitted that commission of grave misconduct by the workman has been proved in a properly held departmental enquiry and the punishment imposed against the workman cannot be said to be shockingly disproportionate and therefore, there is no scope to interfere with the punishment.

In support of such contentions, reliance has been placed on the decisions reported in AIR 1970 SC-1334 (M/s. Perry & Co. Ltd. Vs the Labour Court), 1996 LAB IC-467 (SC) (B.C. Chaturvedi Vs Union of India), 2003 LAB IC-757 (SC) (Regional Manager, UPSRTC, Etawah Vs Hotilal),

2005 LAB IC-4158 (SC) (V. Ramina Vs APSRTC) and 2005 LAB IC- 854 (SC) (Bharat Forge Co. Ltd. Vs Uttam Manohar).

So, keeping in view the principles enunciated by the Hon'ble Apex Court in the decisions mentioned above, the present case in hand is to be considered.

8. Perused the record. Admittedly, there is no challenge in the statement of claim or at any stage of this case regarding the perversity or otherwise of the findings of the Enquiry Officer or regarding the proportionality of the punishment by the union. Moreover, from the materials on record, it is found that the Enquiry Officer has given his findings on the basis of evidence adduced in the departmental enquiry. He has not taken any extraneous material for consideration to reach at the findings. The Enquiry Officer has assigned cogent reasons in support of his findings, after analyzing the evidence on record in a rational manner. This is not a case of no evidence or that the findings of the Enquiry Officer are against the evidence on record. Hence, the findings of the Enquiry Officer cannot be said to be perverse.

9. So far the proportionality of the punishment is concerned, grave misconduct of remaining unauthorized absence for more than 10 days has been proved against the workman in a properly conducted departmental enquiry against him. The punishment imposed against the workman cannot be said to be shockingly disproportionate to the proved misconduct against him. Taking into consideration the facts and circumstances of the case and applying the principles enunciated by the Hon'ble Apex Court in the decisions mentioned above to the present case in hand, it is found that there is no scope to interfere with the punishment imposed against the workman. Hence, it is ordered:

ORDER

The action of the management of Mathani Colliery of Western Coalfields Limited, Pench Area in terminating Sh. Satish Kumar, General Mazdoor from services is legal and justified. The workman is not entitled to any relief.

AWARD

(Dated : 30th May, 2012)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of WCL and their workman, Shri Saalikram, for adjudication, as per letter No. L-22012/253/2006-IR (CM-II) dated 19-01-2007, with the following schedule :—

"Whether the action of the management of M/s. WCL in dismissing Shri Saalikram from services w.e.f. 24-12-2005 is legal and justified? If not, to what relief is the workman entitled?"

2. Being noticed, the union. Sankyukta Koyla Mazdoor Sangh (AITUC), ("the union" in short) filed the statement of claim on behalf of the workman, Shri Saalikram, ("the workman" in short) and the management of WCL, ("Party No. 1" in short) filed the written statement.

The case of the workman is that he was working as a Mazdoor in Nehariya Mine and on 12-06-2004 (wrongly mentioned as 12-06-2007 in the statement of claim), a false charge sheet was submitted against him on the allegation of his remaining unauthorized absence from 13-02-2004, even though, after a second warning, he had been allowed to join duty on 10-03-2004, and from the said fact, it was presumed that the party no. 1 was satisfied with his explanation and as such, after giving a warning, he was allowed to join his duty, but party no. 1 as per order dated 12-06-2004, instituted a departmental enquiry against him to make enquiry, which clearly shows that the party no. 1 was bent upon to dismiss him from services by hook or crook and as he had been ill, he had remained absent and he attended the departmental enquiry and one Shri J.K. Gupta was the enquiry officer and one Shri A. Dutta was the representing officer in the enquiry and Shri Gupta and Shri Dutta were also the enquiry officer and representing officer respectively in the departmental enquiry held against one Shri Patiram and the 2nd sitting of the both enquiries were posted to 09-07-2005 at 11.00 AM and it is quite natural that it is not possible for a single enquiry officer to proceed in two different enquiries at the same time and as such, it can be presumed that the enquiry was not in accordance with the principles of natural justice and the same is illegal and the 3rd sitting of the enquiry had been fixed to 18-08-2005 and in the proceedings of that sitting, though it had been mentioned that the enquiry officer and presenting officer were present had been shown, but the enquiry officer had not put any date below his signature and the presenting officer had put the date below his signature as 9-7-2005, which clearly shows that the proceeding of the 3rd sitting was signed by him on 09-07-2005 and that minutes was already prepared on 09-07-2005 itself in violation of the principles of natural justice and as such, the entire enquiry and so also the order of dismissal from service passed against him is void and illegal.

3. The party no. 1 in its written statement, by denying all the allegations made by the workman has pleaded inter-alia that the services of the workman, who was working as a timber mazdoor at Nahariya UG Mine, were terminated on the charges of proved misconduct and the workman remained absent from duty unauthorizedly from 14th February, 2004, without any intimation or sanctioned leave and the said act of the workman constituted misconduct under the relevant provision of the certified standing orders and as such, a charge-sheet dated 12-6-2004 was issued against him and he was asked to submit his written explanation and the workman submitted his written explanation stating therein that due to sickness of his son, he had gone to outside and hence he could not attend his duty, but he did not enclose any supporting certificate or document to substantiate his explanation and as such, it was decided to refer his case for departmental enquiry and accordingly, Shri G. K. Gupta

was appointed as the enquiry officer vide letter dated 11-05-2005, under intimation to the workman and the enquiry officer fixed the enquiry on 02-07-2005 at 11 am and informed and advised the workman vide his letter dt. 17-06-2005 to attend the enquiry on 2-07-2005 alongwith his witnesses, documents and co-worker, if any and on 02-07-2005, the workman appeared in the Enquiry alongwith his co-worker, Shri Bharat Singh, the General Secretary of AITUC union and the workman also submitted a written request for allowing Shri Singh to act as his co-worker, which was allowed and Shri Singh requested for adjournment of the enquiry on the ground of his attending an important meeting and accordingly, the enquiry was adjourned to 09-07-2005, with the consent of both the parties and on 09-07-2005, though the management representative was present, the workman and his co-worker remained absent and they did not send any information about the reason of their not attending the enquiry and though the presenting officer requested to proceed with the enquiry ex-parte, the enquiry officer decided to give another chance to the workman to put up his defence, in the interest of justice and deferred the enquiry to 18-08-2005 and the enquiry officer intimated the adjourned date of enquiry to the workman under registered letter dated 05-08-2005 in his home address as recorded in Form-"B" register and as on 18-08-2005, neither the workman nor his co-worker appeared in the enquiry, the presenting officer requested to proceed ex-parte against the workman and the enquiry officer decided to proceed with the enquiry ex-parte and 18-08-2005, the enquiry was closed, after production of relevant documents in support of the charges by the management representative and recording of the statement of the management representative and inadvertently, the management representative put the date 09-07-2005 below his signature given on the proceedings instead of 18-08-2005 and the enquiry officer submitted his report on 02-09-2005 and the report of the enquiry officer is based on the materials on record and the enquiry officer analyzed the documents filed before him and came to a rational and logical conclusion that charges levelled against the workman to have been proved and the copy of the enquiry report was sent to the workman, vide letter dt. 29-09-2005/ 07-10-2005, for offering comments, but the workman did not submit any comment and considering the seriousness of the misconduct and examining the past service record of the workman, the workman was terminated from services w.e.f. 24-12-2005 and the enquiry held against the workman was just, fair and proper and the punishment imposed is proportionate to the charges. It is further pleaded that though the workman was allowed to join duty with a warning, the workman did not respond to the letter of allowing him to join duty and continued to remain unauthorized absent, so his case was referred for departmental enquiry and as the workman did not raise any protest against the constitution of the enquiry, it

cannot be said that it was not justified to proceed with the enquiry on the same charges, when the workman had been allowed to join duty with a warning and according to the workman, he could not attend his duty due to the sickness of his son, but in his statement of claim, he has mentioned that he could not able to join duty due to his own sickness and as such, the same cannot be taken into consideration and more over, the workman had not intimated the management either about the sickness of his son or his own sickness and such submissions are after thought and though the enquiry against the workman and Shri Patiram were posted to 09-07-2005, the workman did not attend the enquiry initiated against him, so the enquiry against him was adjourned to another date and the enquiry against Shri Patiram proceeded and as such, there was no irregularity in the enquiry.

4. As this is a case of dismissal of the workman from services. after holding a departmental enquiry, the validity of the departmental enquiry was taken as a preliminary issue for consideration and by order dated 06-07-2011, the departmental enquiry conducted against the workman was held to be legal, proper and in accordance with the principles of natural justice.

5. At the time of argument, it was submitted by the union representative that the workman appeared in the enquiry with his co-worker and the enquiry of the workman was fixed on the same day and at the same time alongwith the enquiry initiated against one Patiram and as such, the same was quite illegal and from the materials on record, it can be found that the entire proceedings of the departmental enquiry was manufactured and actually there was no enquiry and the workman was not given opportunity to put forth his case and the punishment imposed against the workman is quite disproportionate and though 8 types of punishment have been prescribed in the Certified Standing Orders, the severe most punishment has been imposed against the workman and as such, it is necessary to set aside the punishment and to reinstate the workman in service.

However, at the cost of repetition, it is to be mentioned here that the departmental enquiry conducted against the workman has already been held to be legal, proper and accordance with the principles of natural justice. Hence, there is no scope to consider the submission made by the union representative again in that regard.

6. On the other hand, it was submitted by the management representative that at no stage, the union has challenged about the perversity of the findings of the Enquiry Officer or the quantum of punishment and on that ground alone, the findings of the Enquiry Officer can be held to be not perverse and otherwise also, the Enquiry Officer has based his findings on the evidence adduced in the enquiry and his report is not contrary to the evidence on record and as such, the findings are not perverse. It was further submitted that commission of grave misconduct by the workman has been proved in a properly

held departmental enquiry and the punishment imposed against the workman cannot be said to be shockingly disproportionate and therefore, there is no scope to interfere with the punishment.

In support of such contentions, reliance has been placed on the decisions reported in AIR 1970 SC-1334 (M/s. Perry & Co. Ltd. Vs. the Labour Court), 1996 LAB IC-467 (SC) (B.C. Chaturvedi Vs. Union of India), 2003 LAB IC-757 (SC) (Regional Manager, UPSRTC, Etawah Vs. Hotilal), 2005 LAB IC-4158 (SC) (V. Ramina Vs. APSRTC) and 2005 LAB IC-854 (SC) (Bharat Forge Co. Ltd. Vs. Uttam Manohar).

So, keeping in view the principles enunciated by the Hon'ble Apex Court in the decisions mentioned above, the present case in hand is to be considered.

7. Perused the record. Admittedly, there is no challenge in the statement of claim or at any stage of this case, regarding the perversity or otherwise of the findings of the Enquiry Officer or regarding the proportionality of the punishment by the union. Moreover, from the materials on record, it is found that the Enquiry Officer has given his findings on the basis of evidence adduced in the departmental enquiry. He has not taken any extraneous material for consideration to reach at the findings. The Enquiry Officer has assigned cogent reasons in support of his findings, after analyzing the evidence on record in a rational manner. This is not a case of no evidence or that the findings of the Enquiry Officer are against the evidence on record. Hence, the findings of the Enquiry Officer cannot be said to be perverse.

8. So far the proportionality of the punishment is concerned, grave misconduct of remaining unauthorized absence for more than 10 days has been proved against the workman in a properly conducted departmental enquiry against him. The punishment imposed against the workman cannot be said to be shockingly disproportionate to the proved misconduct against him. Taking into consideration the facts and circumstances of the case and applying the principles enunciated by the Hon'ble Apex Court in the decisions mentioned above to the present case at hand, it is found that there is no scope to interfere with the punishment imposed against the workman. Hence, it is ordered :

ORDER

The action of the management of M/s. WCL in dismissing Shri Saalikram from services w.e.f. 24-12-2005 is legal and justified. The workman is not entitled to any relief.

AWARD

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1) (d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/124/2007-IR (CM-I) dated 31-12-2007.

SCHEDULE

“Whether the action of the management of Bera Colliery of M/s. BCCL in dismissing the services of Sh. Shankar Modi, Miner Loader w.e.f. 17-11-2003 is justified and legal? If not, to what relief is the concerned workman entitled?”

2. Non representation on behalf of the sponsoring Union/workman since the registration of the case at this

Tribunal as Ref. No. 2/2008 nor any written statement filed by them during these period despite having served altogether three Regd. Notices dtd. 3-6-2008, 17-1-2011 and 10-5-2011 respectively and one Show Cause Notice dt. 9-1-2012 on the address of the sponsoring Union mentioned in the said ‘Order of the Reference’. For the Opp-Party-Management, Mr. D. K. Verma, Ld. Advocate present on date.

On perusal the record, it shows the complete disinterestedness of the sponsoring union/workman, who did not either make any appearance or file the written statement pending since 15-3-2011. It also points that any industrial dispute does not exist in real sense. Under such circumstances, there is sufficient believable reasons that the case is closed devoid of the interest of the Union/workman—Shankar Modi, M/Loader. Accordingly, an order of no dispute as non-existent of any industrial issue, related to dismissal of the workman from service, may be passed.

AWARD

The Central Government, Ministry of Labour & Employment vide its Order No. L-11012/13/2009-IR (CM-I) dated 19-06-2009 referred the following Industrial Dispute to this Tribunal for adjudication.

The schedule mentioned in that order is :

"Whether the demand of Sri Joy Mathew for his absorption in Jet Lite by the Management of Jet Airways with reference to the Share Purchase Agreement of dated 01-04-2007 entered by the Management of Jet Airways (India) Ltd., Sahara India Commercial Corporation Ltd. and others and Sahara Airlines Ltd. is justified and legal? (ii) To what relief is the workman concerned entitled?"

2. After the receipt of Industrial Dispute, this Tribunal has numbered it as ID 45/2009 and issued notices to both sides. Petitioner appeared in person. 1st and 3rd Respondent through Lawyer. 2nd Respondent through Authorized Representative. Petitioner filed Claim Statement. 2nd and 3rd Respondents filed Counter Statement. 1st Respondent did not file Counter Statement.

3. Points for consideration are

- (i) Whether the demand of Sri Joy Mathew for his absorption in Jet Lite by the Management of Jet Airways is justified and legal ?

- (ii) To what relief the concerned workman is entitled?

Points (i) & (ii)

4. After entering appearance by both sides the matter stood posted for further proceeding, the matter stood stayed by the Hon'ble High Court of Madras for sometime. Even after the vacating of stay by the Hon'ble High Court petitioner ceased to be present or represented for quite a long time and thereafter till 25-04-2012 to which the case was adjourned for his appearance as a last chance but that day also he did not turn up. Needless to say no evidence has been adduced to prove his demand for absorption as prayed for in his Claim Statement but which was requested to be rejected by the Respondents in their Counter Statements. Here the claim not being conceded to by the Respondents and the petitioner having not proved his entitlement, the demand is only to be held as not justified and legal and that the petitioner is not entitled to any relief. So ordered.

5. The reference is answered accordingly.

(Dictated to the P.A., transcribed and typed by him, corrected and pronounced by me in the open court on this day the 30th April, 2012).

AWARD PART-II

This is a reference made by the Central Government in exercise of its powers under clause (d) of sub section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act 1947. The terms of reference given in the schedule are as follows :

“क्या एअर इण्डिया के प्रबंधन द्वारा दि. 22-5-87 से श्री एम.जी. सोलंकी, क्लीनर की सेवाएँ बर्खास्त करना उचित, विधिवत एवं न्यायसंगत है? यदि नहीं तो कर्मकार किस राहत के पात्र हैं।”

According to the statement of claim filed by the second party workman he joined the first party as a sweeper in ground service department on 23-10-1978 and was confirmed on 1-5-1979. He was charged for habitual absence without permission. The enquiry started and finished on 12-5-1987 within a period of one hour. The second party workman was dismissed by letter dt. 19-6-1987 by the first party. According to the statement of claim somewhere in the month of August 1985 the wife of the second party workman was operated for stomach ailment and thereafter she was required to be taken to hospital frequently for post operation checking. The second party workman was also unwell. Due to these pressures he had to avail leave on medical grounds in the year 1985-1986. He submitted his explanation and pointed out that some of the dates on which he had been shown to be absent, he had already applied for leave as per rules. He also pointed out that due to operation of his wife he had to remain absent on some occasions. The explanation given by the second party workman was not considered by the Enquiry Committee. The findings of the Enquiry Committee are based on the alleged voluntary admission of the second party workman but the explanation given

by him clearly shows that there was no voluntary admission.

The first party filed written statement wherein it stated that the dispute raised by the second party workman suffered from gross delay and laches. According to the written statement the second party workman remained absent without leave for 87 days during the period from October 1985 to September 1986. The workman was issued a chargesheet dt. 10-11-1986 and he was charged with habitual absence without permission. The management did not receive any reply of the said chargesheet. In these circumstances the first party decided to hold an enquiry and accordingly constituted an enquiry committee. The Enquiry Committee held its proceedings on 12-5-1987 and on that day the second party workman categorically admitted the charge on his own freewill and without any coercion. Still the committee examined the representative of the Time office to verify the correctness of the charge levelled against the second party workman. The said representative produced the attendance record of the second party workman alongwith punching cards for the period from October 1985 to September 1986 and stated that the workman was not paid wages for the above period. The workman did not cross-examine the said representative in spite of opportunity accorded to him. The second party workman further submitted his final statement on the same date. The Enquiry Committee submitted its report wherein it held that the charge of habitual absence without permission levelled against the workman was established beyond doubt. By order dt. 22-5-1987, the workman was awarded the punishment of removal from service. According to the written statement the past record of the second party workman was consistently unsatisfactory during the last seven years for which he was awarded punishments. In spite of this the second party workman committed the same act of misconduct. The first party, therefore, prayed that the reference be rejected.

The second party workman filed rejoinder wherein he reiterated his stand.

Following Issues were framed :

1. Whether the enquiry is vitiated for violation of Air India Regulations or Model Standing Orders?
2. Whether the case of the workman was prejudiced for the reason the principles of natural justice and fair play were violated during the course of enquiry?
3. Whether the reference is liable to be rejected on the ground of delay and laches on the part of workman under the facts and-circumstances of the case?
4. Whether the action of the management in terminating the services of the workman is legal and justified?
5. To what relief, if any, the workman entitled to by way of this award?

By Award Part-I passed by this Tribunal on 17-1-2007 Issues no. 1 and 2 were decided against the first party and in favour of the workman and the first party was given an opportunity to prove the charge against the second party workman.

The first party filed the affidavit of Dattatraya Vithoba Shinde on 28-6-2007 and thereafter the second party workman absented. Therefore, a notice was issued to the second party workman in pursuance of the ordersheet dt. 7-2-2011. In spite of service of the notice the second party workman did not turn up on the next dated i.e. 8-3-2011 and thereafter he has not appeared before this Tribunal. As per the order sheet dated 8-3-2011 cross examination of Dattatraya Vithoba Shinde was closed. The first party has also filed affidavits of V.S. Agvekar and Dattatray P. Nerurkar.

Heard M/s. Gecta Raju, learned counsel for the first party.

Now this is to be seen whether the first party has proved the charge levelled against the second party workman. Issues nos. 3 to 5 have also to be decided.

Dattatray Vithoba Shinde has participated in the enquiry as representative of the management. He has stated in his affidavit that the charge against the second party workman was that he was absent without permission for 87 days during the period from October 1985 to September 1986 and that the second party workman on 12-5-1998 categorically admitted the above charge on his freewill and without coercion before the Enquiry Committee. V.S. Agvekar who participated in the enquiry as a Typist-Clerk has also stated in the same view. The above two witnesses have not been cross examined by the second party workman. There is, therefore, no reason to disbelieve them. It is fully proved by the statements of the above two witnesses that the second party workman remained for 87 days during the period from October 1985 to September 1986.

The admission made by a party to the proceedings is binding on him and he cannot be permitted to retract from it at any subsequent stage. Here the second party workman has admitted the charge before the Enquiry Committee and, therefore, the charge stands proved against him. In view of the above discussion I am clearly of the opinion that the first party has succeeded in proving the charge against the second party workman.

ISSUE No. 3 :

The second party workman was removed from service in May 1987 whereas he raised the dispute in August 1998. No explanation or reason has been given for this long delay of more than eleven years. There is no doubt that the provisions of limitation Act are not applicable to these proceedings but to ignore such long delay without any reason or explanation will be violating the principles of natural justice. In the facts and

circumstances of the case I have come to the conclusion that the claim of the second party workman suffers from delays and laches and, therefore, the reference is liable to be rejected only on this ground.

Issue no. 3 is decided against the second party workman.

ISSUE No. 4 :

The witness of the first party Dattatray P. Nerurkar has stated in his affidavit that the workman was issued two chargesheets earlier also and was punished for unauthorised absence.

As regards this case the second party workman has remained absent unauthorisedly for 87 days in a period of one year. The conduct of remaining absent for long periods without obtaining leave is grave misconduct.

Considering all the facts and circumstances of this case I am of the opinion that the action of the first party in terminating the services of the workman is legal and Justified

Issue no.4 is decided in favour of the first party and against the second party workman.

ISSUE No. 5 :

The second party workman is not entitled to any relief.

Award is passed accordingly.

Dated, Dhanbad, the 18th April, 2012

AWARD

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-22012/347/2007-IR (CM-II) dt. 12-5-2008.

SCHEDULE

“Whether the action of the management of FCI in recovering Rs. 105364.00 from the pay and allowances of Shri Mangleshwari Prasad Sinha, AG-I (D) is legal and justified to what relief is the workman concerned entitled?”

2. Non represented the Union concerned nor any written statement of the petitioner Mangleshwari Prasad Sinha filed, nor any represented the Management.

The perusal of the case record clearly manifests that this case has been pending for filing the written statement on behalf of the petitioner, for which five times Regd. Notices dtd. 28-1-2011, 18-5-2011, 12-10-2011, 12-1-2012 and 5-3-2012 to the Union on its address noted in the Reference case were issued and none of the Registries returns unserved, so it will legally deemed that all the Regd. Notices were served upon the Union Representative for the Petitioner. The case has been pending for it since 25-3-2011. The conduct of the sponsoring union as well as that of the petitioner in the present case related to recovery of specified amount from the Pay & Allowances of the petitioner stands their unwillingness to pursue with it. Under these circumstances, proceeding with the case for uncertainty is nothing but wastage of time and energy of the Tribunal for nothing. Hence, the case is closed and accordingly an order of non existent of any industrial dispute in the present case, is passed.

ANNEXURE**BEFORE THE CENTRAL GOVERNMENT
INDUSTRIAL TRIBUNAL (No. 2), AT DHANBAD**

Present : Shri Kishori Ram, Presiding Officer.

In the matter of an Industrial Dispute under Section
10(1)(d) of the I.D. Act, 1947.

Reference No. 01 of 2004.

Parties : Employers in relation to the management of
M/s. Govindpur Project of M/s. CCL and their workman.

Appearances :

On behalf of the workman : Mr. K. Chakraborty, Ld. Adv;
On behalf of the employer : Mr. D. K. Verma, Ld. Adv;
State : Jharkhand : Industry : Coal

Dated, Dhanbad, the 19th April, 2011

AWARD

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1) (d) of the I.D. Act., 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/114/2003-IR (C-I) dated 17-12-2003.

SCHEDULE

“Whether the action of the management of Govindpur Project of M/s. CCL in not providing employment to Shri Raj Kumar Rabidas, the dependent son of late

Mohan Rabidas, is justified? If not, to what relief is the said dependant of the workman concerned entitled?"

2. Mr. K. Chakraborty, the Learned Advocate/Union Representative for the petitioner Raj Kumar Rabidas neither appeared nor any witness for the evidence of the petitioner produced. Mr. D. K. Verma, the Learned Advocate for the management is present.

After going through the case record I find that the case has been pending for the evidence of petitioner since 17-1-2006, for which several notices earlier and now dated 20-12-2010, 31-5-2011 and 23-02-10 issued to the sponsoring union on its addresses noted in the Reference, even then the Union Representative has failed to produce any witness in support of the case of the petitioners' claim for his employment as dependant son of Late Mohan Rabidas. It shows the fact that the Union Representative as well as the petitioner has lost his interest in pursuing the case for its finality.

In view of the aforesaid disinterestedness of the Union Representative/petitioner to proceed with the case, the case is closed as non existent of the Industrial Dispute. In result, an order of no dispute is passed.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL (No. 2), AT DHANBAD

Present : Shri Kishori Ram, Presiding Officer

In the matter of an Industrial Dispute under Section 10(1)(d) of the I.D. Act, 1947.

Reference No. 35 of 2006.

Parties : Employers in relation to the management of C.V Area of M/s. BCCL and their workman.

Appearances :

On behalf of the workman : Mr. N.G. Arun, Rep. of the Union.

On behalf of the employer : Mr. B. M. Pd., Ld. Advocate;
State : Jharkhand : Industry : Coal

Dated, Dhanbad, the 17th April, 2012

AWARD

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1) (d) of the I.D. Act., 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/188/2005-IR (CM-I) dated 1-6-2006.

SCHEDULE

"Whether the demand of the Rashtriya Colliery Mazdoor Sangh from the management of BCCL, CV Area for payment of difference of wages w.e.f. 10-4-2001 of Cat. I & Peon to Smt. Mangli Manjhiyan is justified? If so, to what relief is the workman entitled?"

2. Mr. N.G. Arun, the Union Representative for the workman and Mr. B. M. Prasad, Ld. Advocate for the Management did not appear to represent for their respective parties nor written statement filed on behalf of the workman despite three Regd. Notices to the Union on its addresses noted in the Reference.

Perused the case record, I find the case has been all along pending for filing written statement of the workman Smt. Mangli Manjhiyan by the Union concerned since 27-12-2007, for which three Regd. Notices dtd. 29-10-2010, 8-3-2011 and 8-11-2011 to the Organisation Secretary of the Union concerned on its address noted in the Reference and none of the aforesaid Regd. Notices returned which amounts to have been served upon the Union Representative concerned. Even then non representation of the workman nor W.S. filed in behalf of the workman. The Conduct of the Union as well as the workman in the present case which is related to her claim for the payment of difference of wages clearly shows their uninterestedness to proceed with the case.

Under these circumstances, proceeding with the case for uncertainty is like carrying the burden for no result. Hence, the case is closed as non existent of the Industrial Dispute at present and accordingly order is passed.
